

FHA An Aid To Building And Remodeling Here

First National Bank,
Businesses Cooperate
Under FHA Plan

Awake to the possibilities of the latest FHA method of financing new construction and remodeling, Arlington Heights business firms and the Arlington Heights National Bank are offering their services to any property owners who may be interested in availing themselves of that method of financing.

Much of the building activity in Arlington Heights today is due to the FHA plan of financing. That activity can be increased several times if the property owners avail themselves of the opportunities before them.

In few words the FHA plan means that Uncle Sam insures the loans that banks and other agencies may make, thus providing the money needed for the improvement. It also means a schedule of time payments, which if made, will allow the property owner to pay off the loan within a period of years with no fear or worry of mortgage becoming due, or necessity of finding a new place to obtain money to renew a short term mortgage.

One of the recent examples of the value of such a plan is the new residence at East Euclid, erected by Dr. Baumann, a picture of which appears in this issue.

As a matter of service, the Herald is publishing a series of four articles dealing with the FHA financing plan. The local building material firms have participated in some of such construction, but as they become more and more familiar with its possibilities they realize that Arlington Heights can be made a better town in which to live if many of the homes are remodeled or modern service installations are made.

It is no secret that outside firms are continuously offering these improvements upon long term basis. In many of these cases the property owner pays a tremendous price for the time payment plan. By adoption of the FHA plan, the homeowner is able to buy his improvement for cash, buy of the local firm and is assured of quality.

The firms inviting the public to consult with them upon building and remodeling plans are Arlington Heights National Bank, Heller Lumber Co., Arlington Elevator & Coal Co., Tibbitts Cameron Lumber Co. and Webber Paint store.

Uncle Sam recognizes the cooperation that can be given to local participation. A recent bulletin says:

Chambers of commerce, boards of trade, building and material supply organizations, as well as all general civic bodies, can render a distinct public service to their communities by disseminating details of the property improvement loans and home-building facilities provided in the new National Housing Act amendments of 1938, Federal Housing Administrator Stewart McDonald said today.

In explaining the Property Improvement Credit Plan of the FHA and its immediate application, the Federal Housing Administration answers the following questions:

Q. Who can borrow modernization funds?

A. Any individual, corporation or firm, business, commercial establishment, farmer, tenant, or home owner.

Q. What lends the money?

A. Private lending institutions—there are approximately 7,000 approved by the FHA in all parts of the United States, including commercial banks, building and loan associations, installment lending companies, etc.

Q. What can the borrower do with these funds?

A. The borrower can improve his property, make any structural repair, make additions and alterations to business establishments, buildings, farms, homes, and institutions, install heating, plumbing, wiring, etc., paint, refloor, etc.

Q. How much can each borrower obtain from the lending agency?

A. Up to \$10,000 for modernization and repair. Up to \$2,500 for the erection of new structures, including roadside stands, filling stations, barns, business establishments, commercial buildings, etc., and in some cases new dwellings.

Q. How does the borrower repay the loan?

A. In equal monthly installments over a period up to five years, and in the case of new dwellings up to 10 years. Farmers may repay loans on an annual or semi-annual basis from the sale of crops, livestock, etc.

Q. Does the Federal Housing Administration lend money for this purpose?

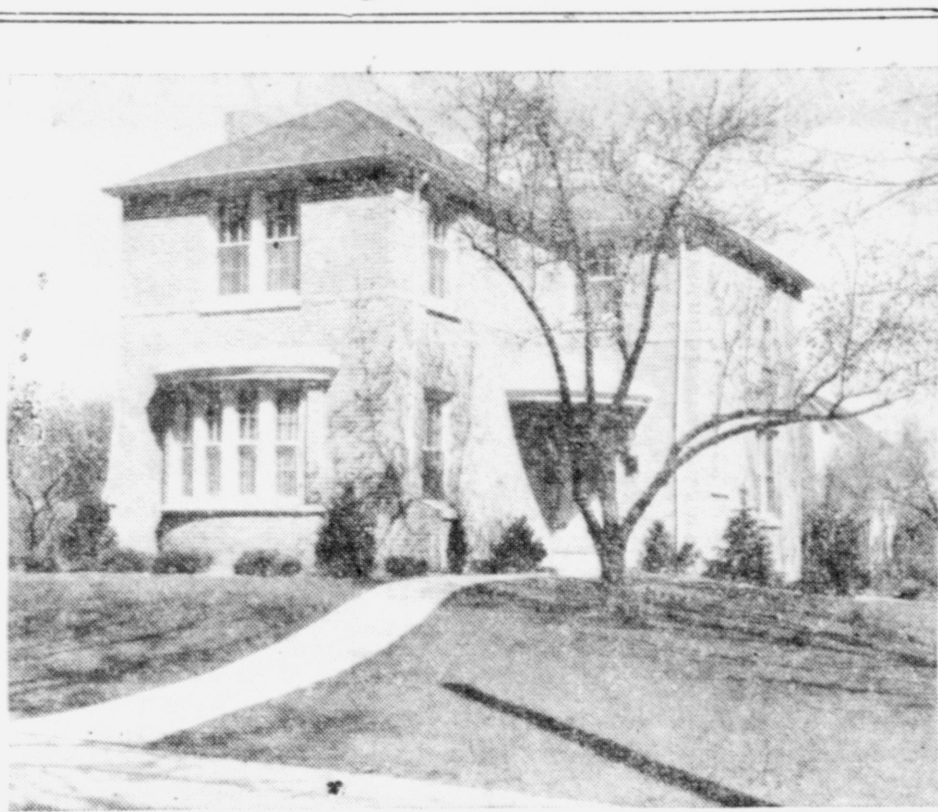

A. No. The FHA does not lend money for any purpose. It insures the lending agency against loss.

Q. Can the borrower use these funds for the purchase of a refrigerator, a stove, or home furnishings?

A. No. These funds must be used for repair and modernization of property and such equipment as becomes a permanent part of the structure, except, of course, in the case of loans up to \$2,500 which may be for new structures.

Installations

The requirements for business improvements are not included in

Residence of Dr. E. W. Baumann, 416 East Euclid, Arlington Heights, who availed himself of the FHA method of financing. Dr. Baumann is enthusiastic over the ease with which he was able to own his own home.

Meeting Of Women Marks New Era In Lutheran Church

Success Meets Effort Of
Rev. Fricke To Organize
Women In Big Mission Cause

HOW IT HAPPENED

News of the organization of the women of the Lutheran church in Northern Illinois for the cause of missions, will be great news to Rev. and Mrs. Leckband, formerly of Arlington Heights, who accepted a call to India two years ago, giving up a physician practice and local friends to work for the cause of Christianity.

It was that call which is directly responsible for the organization of the Women's Mission Endeavor. While Rev. Leckband was considering the call to India, he had many conferences with Rev. Fricke, who pledged him that if he went to India, the women of Arlington Heights Lutheran church would be back of him. The idea has grown and while it has taken two years of effort upon the part of Rev. Fricke to carry the idea to the entire northern district, his efforts have met success. It means that not only the Leckbands, but the Lutheran mission field at home and abroad, will benefit by the added backing and financial support that they will receive through the interest of the 32,000 organized church workers of the Lutheran church in northern Illinois.

Infant Welfare 'Tag Week' Starts Monday

"Tag Week" for the benefit of the Infant Welfare group in Arlington Heights, will be initiated Monday. A canvass of the homes in the village will be made throughout the week, and the railroad trains will be met on Friday, according to Mrs. V. A. Sturm, chairman of the infant welfare committee.

Children's health that has been so closely guarded by Miss Jackson the past year, owes its maintenance to this annual appeal. The community has always entered into the spirit of the health group and contributed generously.

this article, but interested business men can secure full information by consulting the local bank. For dwelling improvements, the FHA has approved the following which gives a clear idea of the extent of improvements that can be made.

Boilers as a part of the system.

Coal stokers.

Doors (including storm doors).

Driveways.

Fences.

Heating systems.

Heat control devices as a part of the system.

Lighting systems.

Lighting fixtures if a part of the system.

Linoleum when cemented to the floor.

Oil burners.

Plumbing systems.

Radiation, if part of the heating system.

Ventilating systems.

Walks.

Water heaters as a part of the water system.

Water softeners as a part of the water system.

Wells and cisterns.

Built-in breakfast nooks, bookcases, cabinets, closets, cupboards, incinerators, laundry chutes, laundry tubs, lightning rods, medicine cabinets, mirrors, ironing boards, shelves, ventilating fans.

DO NOT STUMBLE

Arlington Heights goes to the polls Saturday, May 14. Upon the size of that vote depends the future of Arlington Heights Community building for the completion of which additional money is needed.

There is no need for the Herald to point out the importance of Arlington Heights recreational park to this community. Property values are rising; there is unusual activity in the sale of homes. Scores of Chicago people are buying homes here. A representative of the Northwestern told the Herald this week that more building construction freight is handled through the Arlington Heights station than any other town northwest of Chicago.

There must be a reason for all of these things.

Arlington Heights is building a new elementary school and Arlington Heights is completing a park-community project that stands shoulder high with similar activities in any other town this side of Chicago.

"Arlington Heights is going places," is a familiar expression that is heard on all sides.

A large part of that stride is due to the park project with its community house around which will be built a comprehensive community program of recreation, social, and mind development.

Of course Arlington Heights is going places.

However there is danger of stumbling.

If only a few hundred people go to the polls May 14 approval to the needed financing plan may not be given. If a thousand people go to the polls, it is certain of success.

Let us have a heavy vote.

All residents who reside within the village of Arlington Heights (in Wheeling Township) will vote at the community building. Those who reside south of Center road will vote at 1006 S. Vail Avenue.

Palatine R. R. Clerk Killed

Alfred Tank, 29,
Dies In Railroad,
Auto Crash

Alfred Tank, 29 years old, general clerk at the Chicago and North Western railroad station at Palatine, met his death at the Chicago, Milwaukee, and St. Paul railroad and county line road crossing, near Northbrook Saturday evening. A mail train struck his car at about 10:15 at the crossing that carries no lighted warning signals.

A verdict of accidental death was returned at an inquest held at the Werhane morgue, Northbrook, Monday morning. The jury recommended that proper signals be installed at the crossing.

Mr. Tank has been employed at the Palatine depot for the past year and one-half. He was a graduate of Maine township high school, Des Plaines, where his parents reside. Well known in Palatine for his friendly smile and ready service, "Al" will be sorely missed by many friends. He was driving to Deerfield at the time of the accident, it is believed.

Funeral services were held Wednesday afternoon at 2:30 at the Lauterburg and Oehler funeral home, Des Plaines.

Palatine Buys Buick Police Car

The Palatine village board Monday evening approached the purchase of the new police car with the coyness of a bashful school girl making a date with her first beau.

No one seemed to want to speak up with any recommendation, so president Godknecht finally suggested a secret ballot with each member writing his selection on a piece of paper.

This was done and the vote was unanimous for a Buick car.

With the moral support furnished by the secret ballot, a regular motion was passed authorizing the purchase of a Buick car for the police department.

All village officers were reappointed by president Godknecht and the appointments were confirmed by the board.

East Maine School Vote Is Tie; Must Vote All Over Again

A special school election held in East Maine last Saturday for the purpose of learning the opinions of the people on the subject of erecting a new school building to take care of the increasing enrollment in the district, left the proposition in much as it was before the election.

The result was a tie vote, with 92 voting in favor of the move and 92 registering their disapproval. There were six spoiled ballots.

So the matter is still undecided and the county superintendent's office informed the district that another election in the near future would be necessary.

Wheeling Voters Say 'No' To Sewer Project

The vote cast on the sewer project last Saturday revealed a 5 to 1 majority opposed to the proposition as presented, the vote being 102 no and 20 yes. Only 50 per cent of registered voters cast a vote, proving either a lack of understanding or indifference to the project.

The majority opinion seemed to be that the people of the community were not in a position to maintain the system were it installed, and operated, at the rates that were presented as estimate figures.

Some opposition was also based on the suggested WPA method of construction.

Tires To Be Dynamited In Road Test

An unusual treat is in store May 10, for residents of northwestern Cook County, who are interested in highway safety, when they will have an opportunity to witness just how a tire reacts when it blows out.

The demonstration will occur during a safety show sponsored by Elroy Winkelman, which will take place at 6:30 p. m. Tuesday, May 10, at South State Road. During the course of the show, to which city officials and others interested in reduction of highway accidents have been invited, a tire equipped with a regular tube will be blown out by use of dynamite. This demonstration will be made at slow speed, in order that spectators may see for themselves just what happens to a tire when it suddenly loses all its air.

Another part of the safety show will feature the blowout of a tire at high speed, but on this occasion the tire will be equipped with a Goodyear LifeGuard, a new safety achievement which turns a tire failure into a slow leak. The LifeGuard, which takes the place of the conventional tube, has been hailed by police and fire officials, and heads of safety organizations throughout the U. S. as one of the most remarkable contributions to highway safety in recent years.

In reality, the LifeGuard consists of an inner tire inside an outer tube, both being joined at the base. Air passes from the inner tire (which is built up of fabric plies) to the outer tube through a single tiny vent. When a tire failure occurs, air escapes from the outer tube instantly, but can escape from the inner tire only through the single tiny vent. This means that in event of failure, the tire drops down to ride on the inner tire, allowing the driver to bring the car to a safe stop.

This exhibition is worth traveling many miles to see. Many have inspected a wreck caused by a blown tire, but few have been upon the ground and witnessed the actual blowup. Experienced drivers are being brought to Arlington Heights for this exhibition. The Goodyear organization is spending nearly \$1,000 upon this one show and chose Arlington Heights as the center of a large farming area as the logical place to hold it.

Arlington Heights Building Program Takes New Spurt

Many Realty Sales Made In Arlington

Business Places Go
To New Owners; Others
Buy New Homes

The activity in Arlington Heights is not confined to erection of new homes by builders. There are a number of business places that have changed hands and there are a number of people who have bought their own homes.

J. D. Flentje has purchased of Laura Redeker the triangle property, which he occupies as an office. The Webber Paint Company has purchased the former Zimmer store building on North Dunton and is planning to remodel it into a "perfect" paint and wall paper store. The business will be continued at its present location until the end of the 1938 season. In discussing the purchase, Mr. Baldwin stated that additional room had become a necessity and the new place would permit future expansion. This firm has become the outstanding paint and wall paper firm northwest of Chicago.

Louis Wahl has purchased the property of Albert Long at 823 N. Dunton street. W. C. Schrage, of Chicago, has purchased residence at 220 S. Mitchell and will move here in the fall.

Henry Busse has purchased the Jahrling home at 210 N. Pine.

Jos. Kelly has purchased the Vetter house at 207 N. Haddon.

The Felz house on South Vail has been sold to John Traikoff, proprietor of a barber shop at 121 E. Davis street, who will make extensive remodeling.

The above sales were handled through the Flentje-Behrens' organization. C. M. Behrens reports two sales the past ten days of property in Arlington Vista; both buyers will build homes this year. They are E. J. Langford and Wm. Osterburg, of Chicago.

Harold Willson, local realtor, has sold his residence on Euclid and will reside at 204 So. Highland until his new home in Mt. Prospect is completed. Jos. E. Brown is the new owner of the Willson home.

Mr. Willson has sold recently a number of other places in addition to his own abode. Among them are the following:

303 N. Pine street, purchased by W. J. Brown of Chicago, who is occupying it.

625 State road, purchased by Mr. and Mrs. H. J. Schroeder, who are occupying it.

620 N. Highland purchased by Mr. and Mrs. John Shanley.

The McCall House in Scarsdale has been purchased by Mr. and Mrs. Hugh Nichols of Stonegate.

823 N. Dunton purchased by Mr. and Mrs. Louis Wahl.

C. A. Hughes, farm adviser, has purchased the Frank Henski residence on 720 S. Dunton. The latter has moved to Chicago.

The Henrickson residence on Palatine road by Mr. and Mrs. Richard Schwetfeger.

Farmers O. K. Cold Storage Locker Plan

May Preserve Farm Products At Arlington; Meeting Next Tuesday

Farmers who have thought about the possibilities of the cold storage locker proposed to be installed in the Arlington Heights Farm Bureau building are beginning to realize it is an addition to more economical and better living.

A good turn out is anticipated the evening of May 10 at 8:30 (Day Light Saving time), when Paul Mathias of the Illinois Agricultural Association will discuss the successful setup and operation of cooperative plants and H. G. Russell of the University of Illinois Service will describe the possibilities of the storage of meats, wild game, fruits and vegetables in a plant.

Not only farmers but townspeople who may be interested in this system are invited to attend this meeting.

Hold Services For Arlington Native; Has Brother in Palatine

Funeral services for Mrs. Bertha Clark, 53 years old, Los Angeles, California, were held with burial at St. Luke's cemetery, Chicago, April 28. Mrs. Clark, nee Bertha Richter, moved from Arlington Heights 17 years ago. She leaves two brothers, William Richter of Palatine and Charles Richter of Chicago, and a host of friends in this vicinity.

May 1st Was Moving Day For Many Families

May first occurred on Sunday, but it was the zero hour for a number of families who either left town, or moved to new locations. Among them are the following:

Mrs. Louis Dunton has moved from her home at 126 S. Highland. C. A. Hughes from 204 S. Highland to 720 S. Dunton, his own home.

The Jensen family of 116 N. Pine, have left town.

Mrs. Grace Vant Hof is a new resident at 516 Beverly Lane.

Herman F. Meyer has moved from 101 S. Dunton to 11 S. Dunton.

Peter Martini has moved from 214 S. Dunton to his father's home on North State road.

Officer Heinemann has moved from the outskirts of town to his own home on South Vail.

Martin Stoffel has moved from 10 So. Vail to 214 S. Dunton.

Dr. Hill has rented an office in the Farm Bureau building, 201 N. Dunton avenue, where he is now located. His phone is 461.

Kidnapped Boy Left Bound

Snatched by a couple of strange men in a Packard car while walking down an alley on his way to the John Marshall grammar school at Kedzie and Fifth avenue, Chicago, held prisoner by one of the men who rode with him in the rear seat while the other man drove the car through the city and out into the country, finally winding up in the Deer Grove forest preserve near Palatine, where the men forced him into a shack and attempted to mistreat him, finally leaving him tied hand and foot with ropes on the floor of the shack, after he had fought with them for some time; finally freeing himself by managing to get a knife out of his pocket and cut himself loose, breaking the window of the shack with a chair, the only piece of furniture in the room and crawling to freedom, after which he wandered about the woods for hours finally reaching the Ross home at Quinlan and County Line roads, where Mrs. Ross gave him 21 cents and sent him to the Kells home to see if one of the boys would take him to Palatine.

Fed at the Kells home and then brought to town by Norris Kells and turned over to the Palatine police;—

Such was the story told to the Palatine police Tuesday night by Young Allen Chapman of 3445 1/2 W. Jackson boulevard, after being brought to the station by Kells.

And such was the story the young man stuck to throughout an hour and a half questioning by police, judges and reporters, and such was the story he told his mother over the phone from the police station.

Young Chapman gave a rather vague description of his kidnappers, told vividly how he was bound and escaped; was rather vague as to the location of the shack and as to how long he wandered about the woods before finding the Ross home and asking help.

His mother in conversation with the police, seemed to think the boy had been a victim of wanderlust and the desire to travel.

Officer Foltz said the boy's story sounded like a scenario and it was too bad he hadn't landed in Hollywood instead of Palatine.

But the lad was still sticking to his story when he was placed on the 8:43 train for Chicago to meet his mother and regardless of how he got out here, he seemed glad to be going back to home and mother.

Tries To Pass Too Often; Cars Collide Going in Same Direction

Attempting to pass on the right of a car ahead of him, Thomas Iwaniec, Jamesburg, went around the left side of the car, causing the two cars to collide and be completely demolished Sunday afternoon.

Iwaniec was driving on Rand road near the county line road in Palatine township. The car of Morris Mason, Rand road, 1/2 mile south of county line road, Palatine, was struck and the occupants, Mrs. Jeannie Mason, Ansel Mason, and Ollie Peterson were taken, with Iwaniec, to the Palatine community hospital for treatment.

Mr. and Mrs. L. Arnold Celebrate 2nd Anniv.

Mr. and Mrs. Leonard Arnold celebrated their second wedding anniversary Sunday at the Mayer farm. Guests from out of town were Mr. and Mrs. Ed. Giss and family, Mr. and Mrs. Foote, Mr. and Mrs. Sam Schar, of Libertyville and Mr. and Mrs. Wallace Mayer, of Wheeling. There were many other relatives present to take part in the good time.

Plans of a Score Of More Homes Being Prepared

There is probably more building activity in Arlington Heights this spring than in any other northwest community. Each week new plans are being brought to Paul Taege, local building commissioner and nearly as often a new group of builders announce plans to erect new homes within the city of Good Neighbors.

Scarsdale has been the scene of the larger share of the building activity, but there are other sections that are showing real life. Among them is Sherwood where H. R. Jacobsen is acting as sales agent. He thinks so well of Arlington Heights that he will move into the first of a group of six homes now under construction. Homes in Sherwood are in the \$7,500 class.

The owners of this subdivision are showing their intentions of developing this property by installing by present contract, a system of sewers and water mains, including in the installation house connections for all lots facing the improvement.

Five new homes will be started next week by the Talcott organization upon South Chestnut and Fairview. These homes will be in the \$7,500-\$8,000 class with two rooms upon the second floor left unfinished.

The Talcott organization took the initiative in the 1938 Scarsdale program. Homes erected by them sold readily and they have a waiting list of prospects.

A syndicate organized by George Andersen, owns over a hundred lots in that subdivision and as a first step in opening such lots for a building program, a request was presented to the Arlington Heights village board Monday evening which asked the cooperation of the village in securing the approval of the county court to a plan that would permit the return to the village treasurer's office of delinquent special assessment bills that are now in the office of the county treasurer. He was assured of the support of the board.

It is understood that the Mr. Andersen building group had \$30,000 in a revolving building fund that would make possible the start of new homes in the proportion that sales are made.

The Chas. M. Porter Company owns thirty lots in Scarsdale and is having plans prepared for homes as elaborate as any that are erected in Scarsdale. This firm is prepared to continue their plans until all of their holdings are sold.

Plans have been approved by the building commissioner for two new homes in Scarsdale that will be started at once. They will be located upon Newbury and Fairview avenues.

The Talcott organization is extending its operations to Mt. Prospect and will start soon upon the construction of five new homes.

The Scarsdale column in last week's edition mentioned the names of many new residents, but the entire story was not told. There are other new residents in Arlington Heights. Among them are:

A. P. Sledz, of Chicago, at 535 East Park St., Scarsdale.

Louis Engelbert at 921 North Highland.

P. H. Mahlony, 126 S. Highland avenue.

Paul J. Moore, 537 S. Mitchell.

Alfred Hebron, 27 So. Evergreen.

Odors Reach Village Dads

The unwholesome odors of "Stink" Creek, the name commonly given to the Palatine sewer outlet, were wafted into the meeting of the Palatine Village board Monday evening in no uncertain manner.

That people are being forced to leave Palatine because of that odor, that property values are being lowered and that the whole mess is a menace to health and safety, was brought forcibly to the attention of the board in a letter from a property owner of the neighborhood of the disposal plant who had been forced to move from Palatine because of conditions.

Lacking up the letter was the present tenant of the property in person who is about to cancel his lease because of conditions.

The whole subject brings up anew the question of a new disposal plant for Palatine, whose present plant is adequate for a population of 700 and is caring for about 2,200 persons.

The board instructed a committee to investigate conditions and see what could be done.

The suggestion has been made that the subject of a federal grant with the government again be taken up. Additional funds are to be made available for such work and if the original set-up could be approved, Palatine would never get an adequate disposal plant at a more reasonable price.

Every other town in the vicinity has taken advantage of federal funds for civic improvements. Why not Palatine? Let's wake up and see what can be done.

Arlington Society and Club Events

MOTHER'S DAY

We will seek the violets blue,
Star-flowers, daisies wet with dew;
Search the fields for lilies fair
And wild roses for her hair;
All the flowers of field and wood
Are, for Mother, none too good!

All rare blossoms cloistered in
Florists' aisles, we'll strive to win
Spicy pinks and queenly rose,
Every beautiful flower that grows;
Hawthorne sprays, and lilacs sweet,
Place in tribute at her feet.

Flowers, and love—along her way,
All the year make "Mother's Day."
—E. C. H.

P-T. A. Council To Meet Friday, May 13th

The Parent-Teacher council of the North West Suburbs will meet in all day session on Friday, May 13. The meeting will begin at 10 a. m. with a business meeting and election of officers. The new presidents of the local chapters will be introduced and the Mother's Singers Chorus of Park Ridge, will sing at the morning session. Mrs. Sidal State Homemaking chairman, will talk on "The Boy and Girl Question."

At the noon period eight round tables will be held at the luncheon tables dealing with problems facing the new chairman of committees and officer Mrs. Sidal will conduct a round table on Home-making. Mrs. Stephenson, State Chairman of Publications will conduct a round table on Publications and Program building. Mrs. Allen, district director, will conduct a round table for presidents. The other round tables will cover the other fields of Parent-Teacher work and all new officers and committee chairmen are urged to attend. The round tables will be held from 12:30 to 2 p. m.

In the afternoon the Des Plaines public schools will present a style show after which the newly elected officers will be installed.

Byron Baxter Wins Contest

Byron Baxter, son of Mr. and Mrs. B. G. Baxter, of So. Mitchell street, Arlington Heights, and a senior in the Arlington Heights high school, who entered a competitive musical contest at Blooming-ton at the Wesleyan Methodist College last week, has received word that he has received first award for the brass instruments section. While the college does not need cornet players at all, they recognized Byron's talent and awarded him the scholarship. Byron has studied the cornet since he was in the eighth grade and has taken lessons from Mr. Edward Masack in Chicago. Anyone who heard him play his contest selection at the concert at the high school Friday evening, can well realize how Byron won the contest. His selection was "From the Shores of the Mighty Pacific."

Music Department Give Fine Concert

The Arlington Heights high school music department under the direction of Mr. Donald Costain presented their annual spring concert before a packed house Friday evening. These concerts are gaining such wide interest due to their excellence that they are a heralded event of the spring.

The program consisted of numbers by the First Year band and selections by the Concert band, composed of the more advanced students, numbers by the mixed chorus, piano accordion solos by Melvin Preston, Trumpet solo by Byron Baxter, dramatic readings by Miss Roberta Stuart, comic numbers by the German band composed of Orson Rau, Carlson, Schmitz, Koehnke, Peeters. Vocal duets were enjoyed, those taking part were Evelyn Jarvis and Lorraine Schoenbeck, and Marjorie Baker and Florence Harth.

Each part of the program was excellent and the audience were very responsive. The high school are indeed fortunate in having such a fine music instructor as Mr. Costain. The members of the music department presented Mr. Costain with a wrist watch, to show their appreciation for his services.

Coraphelia Society Meets

The Corephelia Society of the Methodist church, met at the home of Mrs. A. D. Hines, Monday evening for a social time. The hostess served refreshments.

THE PUZZLED PARENT

The Puzzled Parent is at his wits end trying to answer the children's everlasting questions, "What shall we do?"

The Consoling Counselor says, "You would find the game list for the Family in the National Parent Teacher a real help. The recreation chairman of your Parent-Teacher Association, will give you a list of other helpful books, some of them free or very inexpensive."

P-T. A. Broadcasts

Friday, May 6, over Station WJJD at 9:30 to 9:45, Miss Frances Swain, director of Household Art in the Chicago public schools will speak on "Shoppers' Creed."

Friday, May 13, over Station WJJD at 9:30 to 9:45, report of convention at Quincy.

Parent-Teachers Convention This Week

The newly elected presidents of the Parent-Teacher associations throughout the State and other delegates are convening in Quincy, Ill., this week for their annual convention. Mrs. Thomas Cooper of the local Parent-Teacher association is attending.

Former Heights Woman Passes

Mrs. Will Burroughs 4117 N. Long avenue, Chicago, died suddenly Thursday evening of heart trouble while listening to a radio program in her home. Mrs. Burroughs was formerly Miss Edna Buck and graduated from the Arlington Heights high school with the class of 1934. While attending school here, she lived with her aunt, Mrs. Beard in Mt. Prospect. The funeral was held Monday in Chicago. She is survived by her husband.

Arlington Garden Club Will Meet May 11th

The Arlington Heights Garden club will meet on May 11 at 8 p. m. in the Village Hall to hear another excellent program.

The Central State Dahlia Society will present a program of colored moving pictures. They are also giving door prizes. All dahlia lovers are cordially invited to attend and see this fine dahlia culture demonstration. The meeting is free and the public is cordially invited.

Gleaners Meet

The Gleaners Circle of the Methodist church met at the home of Mrs. Roy Dobbin Wednesday evening of last week. Mrs. Loughlin told of the Lake Bluff Orphanage. The hostess served refreshments.

LOCAL NEWS

Mr. and Mrs. Marvin Prellberg entertained twelve friends for dinner Saturday evening. Contract bridge was enjoyed during the evening and Mrs. Robert Blackburn and Mr. Roy Lawbaugh received high honors.

Mr. and Mrs. Alman Conger were hosts to the Sunday Evening club this week. A 6:30 dinner was served and contract bridge was enjoyed later in the evening.

Mrs. Hill of Searsdale was hostess to a group of friends Thursday evening. Bridge was enjoyed and Mrs. Henkin and Mrs. Schuener received high honors. The hostess served a delightful midnight lunch.

Mrs. E. Stroker was hostess to her bridge club for dessert on Thursday. Mrs. Al. Schmidt received high award at bridge.

Mr. and Mrs. Elmo Williams entertained eighteen friends at a merry party Saturday evening. Cards and dancing were enjoyed and at midnight the hostess served a midnight supper.

Mrs. Albert Goetke was hostess to the Ideal club last Thursday evening. Cards and a delectable lunch made the evening a success.

Born to Mr. and Mrs. Michael Hebert, nee Kolling, April 30, at the Presbyterian hospital, a baby girl.

Dorcas Aid will give a Mother's Day program at the regular meeting, Tuesday evening.

Guaranteed Radio Service. All makes. Dreyer Electric Co. Phone Arl. Hts. 706. (5-6T)

Refrigerator Repair Service, all makes. Dreyer Electric Co., Arlington Heights. Phone 706. (5-6T)

Sharon Merle, daughter of Mr. and Mrs. Lynn E. Weaver, was baptized at the home of Mr. and Mrs. Henry L. Hagenbrink, 8 So. Vail, Saturday evening, April 30. Rev. H. A. Kossack officiating.

Junior League spring informal May 14.

Mr. and Mrs. John Kahling, formerly of Arlington Heights and Mr. and Mrs. Earl Parker of Rock Island, motored to Louisville, Kentucky to see the Derby.

Marion Blume celebrated her 10th birthday last Thursday with eleven of her schoolmates at her home with games and refreshments.

Mr. and Mrs. F. Thomas and children of Cicero were Sunday guests of the Henry Busses.

Mrs. C. W. Wells of Havana, Cuba, was a guest at the home of her niece, Mrs. Warren Fellingham for a time last week.

Dr. and Mrs. Best spent Sunday in Madison, Wis., at the home of their son and family.

Mrs. Fayette Briggs entertained Miss Rose Bates and Mrs. M. Town and Mrs. Ella K. Dupee of Evanston for Sunday tea.

Mr. and Mrs. Harold Frank of Chicago were Saturday dinner guests at the Robert Palmer home. Mr. and Mrs. Hugh Nichols of Searsdale are parents of a baby girl born Saturday morning at the Augustana hospital. The baby weighed 7 lbs. 12 ounces.

Richard Jilek of Norwood Park spent his vacation from high school last week at the home of his aunt, Mrs. Henry Busse.

Mr. and Mrs. Warren Fellingham and Mr. and Mrs. Jack Monroe were Sunday guests at the Paul Fellingham home in Chicago.

Mr. Harvey Simison of Austin called on his mother at the Rest Home Sunday.

Mr. and Mrs. W. H. Creek and daughter, Marjory and son, James, and Miss Wons, and Mr. and Mrs. William Winebrenner were guests at the E. Elliot residence, Sunday. Many townspeople also called to view the new tourist cottages that have been built next to Mr. Elliot's filling station.

Don't Forget Mother, Sunday, May 8

Give **FLOWERS**

Flowers always express the sentiment of affection and they are especially appropriate for Mother. For this occasion we have an unusually large display of POTTED PLANTS and cut ROSES and CARNATIONS, all priced very reasonably. Our flowers are of select stocks and pleasingly arranged for presentation to Mother.

If She Likes CANDY

Heidorn's is the place to go. Our candies are always fresh and we carry a large stock consisting of many varieties. You'll easily find what you want here and you'll be happy to learn that the best candies are reasonably priced at Heidorn's.

LOCAL NEWS

Among patents just granted to Illinois parties are: Kenneth C. Allison, Arlington Heights, index mechanism; Paul E. Allen, Niles Center, teething device.

The Young Peoples Christian Endeavor Society of the First Presbyterian church, Arlington Heights, is preparing a special Mother's Day program this coming Sunday, May 8, at 6:30 p. m. Rev. Kossack, pastor of the Presbyterian church and Rev. Loughlin of the Methodist church of Arlington Heights, will be the speakers. The members extend their invitation to every one, and are looking forward to a large attendance.

Members of the Dorcas Society and Welcome club of St. Peter's Lutheran church, will go to River Forest this Thursday to attend a Missionfest, where there will be a program of speaking and music. A meeting designed to foster a deeper interest in mission work at home and abroad.

Miss Lydia Hitzeman came from the city Sunday, to spend the day with relatives here, in memory of her mother's birthday, May 1.

Mr. Hy. McElhose writes that he and Mrs. McElhose are leaving Texas and turning toward the hills and other attractions in N. Carolina.

Mrs. Arthur Mueller had a happy birthday Monday, May 2, and a regular party when friends came in the evening to bring cheer and join in a regular May day celebration, flowers graced the scene. Mr. Mueller presented his wife with a beautiful bouquet to crown the feast. The birthday cake was decorated as a Maypole and all the arrangements were happily carried out. Among the guests were Mr. and Mrs. John Miller, Evanston; Mr. and Mrs. Robert Pappenhagen, Des Plaines; Miss Florence Pappenhagen and Mr. Ray Muller, Niles Center; Mr. and Mrs. McDougall and Mrs. Eleanor Miller, Arlington Heights. A successful party, as well as a house warming, as Mr. and Mrs. Mueller have recently moved into their home, 411 N. Evergreen avenue.

Infant Welfare

Next Tuesday

The infant welfare baby clinic will be held in the Arlington Heights village hall next Tuesday, May 10, at 1:30 o'clock.

NOTICE

Do not be misled by house to house canvassers in Electric Refrigerators who represent themselves as being from the factory. In most cases prices quoted by them are not discounts but the regular prices now prevailing at today's market. If in doubt about any proposition offered take down the facts and figures and call Arlington Heights 706. We will be glad to make a check-up for you.

Two Spelling Contest

Winners From Schools

In Division One

Lyle Baxmann, 13 years old, an eighth grader from Bartlett, placed second and Lyle Walter, 13 years old from the Palatine elementary school, placed third last Saturday in the annual school spelling contest held by Noble J. Puffer, county superintendent of schools.

Doris Bock, 13 years old, a bashful eighth grader from Sunnyside school, Berkeley, spelled down 75 words and won first place in Cook county's annual spelling bee. She was the only one of the contestants to score a perfect grade on fifty words taken from spelling text books.

Lyle Baxmann, stumbled on the word "prodigious." His blue penant, almost as tall as he was, is the fifth won by students of Mrs. Elvina Brandt in the last three years.

Seven words tripped the third place winners, resulting in a tie. Lyle Walter, 13 years old, of Palatine, misspelled ralliery, terpsichorean, sobriquet, languorous, ubiquitous, pacifist, and arduous. Wanda Ronneberg, a tiny girl of 12 from Western Springs was eliminated for first place by misspelling sanguine, then missed seven in the second trial. She spelled ralliery and arduous correctly, but missed psychiatrist and amnesty.

Divided Into 3 Tests

The spellingdown was divided into three tests. The first included fifty words from spelling textbooks. The second test grouped twenty-five words from school books and newspapers, and the final list was composed of unusual words, not familiar to grade school children. They were: kilowatt, dirigible, suave, receptacle, logician, ralliery, chameleon, embezzlement, crucial, terpsichorean, amnesty, assiduous, chaos, strategist, syncope, sobriquet, colleague, chemical, arduous, celulose, languorous, ubiquitous, extotic, psychiatrist, pacifist.

Soft Ball Teams To Organize This Week

All managers are requested to at-
tend a meeting at the home of Roy
Davis, 15 N. State road, for the
purpose of organizing a league for
the coming season in Arlington
Heights.

Anyone wishing to enter the
league, be sure to attend. This will
be the final meeting and all entries
should be in by Friday, May 6.

Wilson School News

Mrs. Allison had two visitors
last week and one this week. They
were Lorraine Dauveau and Betty
Austin, who attend Maine township
high school and Nada Dzodzo from
Snider school in Chicago.

The nurse, Miss Sorenson, was
here last week and checked up on
the children that need glasses. She
visited those children's parents and
reported the glasses needed.

Mrs. Allison got maps for the
children. The maps are of the
world. They also show pictures of
the flags of different nations.

The children of the primary room
played with their store last Friday.

Monday of this week, Mr. Bol-
man visited the school. While he
was here he checked up on the light
with a light meter.

Billy Simon's ankle is almost well
now, although he has to limp a
little. He plays ball, but someone
has to run for him.

Rosetta Ross is a new pupil in
the sixth grade.

We had two visitors Wednesday
from Chicago. They were Mary and
Mildred Puhala from Prescott
school. Mary is in the seventh
grade and Mildred is in the fifth.

We are beginning our graduation
plans. Graduation exercises will be
held in the auditorium of the Ar-
lington Heights high school June
1. Dr. Hubbard of Park Ridge is
to be our speaker.

CHRISTIAN SCIENCE CHURCHES

"Everlasting Punishment" was
the subject of the Lesson-Sermon in
all Churches of Christ, Scientist, on
Sunday, May 1.
The Golden Text was, "Have I
any pleasure at all that the wicked
should die? saith the Lord God: and
not that he should return from his
ways, and live?" (Ezek. 18:23).

Among the citations which com-
prised the Lesson-Sermon was the
following from the Bible: "Now no
chastening for the present seemeth
to be joyous, but grievous; neverthe-
less afterward it yieldeth the peace-
able fruit of righteousness unto them
which are exercised thereby" (Heb-
reus 12:11).

The Lesson-Sermon also in-
cluded the following passages from
the Christian Science textbook,
"Science and Health with Key to the
Scriptures," by Mary Baker Eddy:
"Man's wisdom finds no satisfaction
in sin, since God has sentenced sin to
suffer. . . . Through the whole-
some chastenings of Love, we are
helped onward in the march toward
righteousness, peace, and purity,
which are the landmarks of Science"
(p. 322-323).

It Happened Here

This "edition" was written two
weeks ago, but April was a great
month and we are publishing the
contribution, even if May has
arrived.

From snow of blizzard to snow of
blossoms, just one step over the
sill of The Herald office . . . Like
surf, the tide of blossoms has bro-
ken over our lovely village in wave
on wave of beauty, leaving dandel-
ion star fish on the lawns—as is
the way "When proud-pied April,
dressed in all his trim, Hath put a
spirit of youth in everything"—
Hey, nonny, nonny! Wonder if Will,
maker of sonnets, had to rake
leaves and burn brush and trim
borders and otherwise set an ex-
ample for the yeomanry, who would
undoubtedly prefer a bunch of
freshly pulled rhubarb thrust thro
the hedge to any number of ex-
amples . . . Sonneters are like that,
winged or a-foot—the meadow lark,
sprinkling grace notes on the fields,
"sings hymns at heaven's gate," but
farmer Jones bucks the plow and
his sonnets are straight furrows
and the tender green of oats and
wheat—To our mind, no sonnet can
equal the April fields, freshly pat-
tered by the harrow and brooded
over by a milky blue sky spattered
with the seed pearls of cloud—un-
less it is the yard pear trees,
spraying over with bloom like four-
tains of life and calling, "Ave!" to
the bushes, pink-budded and misty,
across the way. . . . And that shout
is from the tulip bed . . .

"Flame on came the tulips blow,
Red as blood, bright as snow;
Orchestrated in the grass,
Sounds a vibrant burnished brass."
Flicker is in residence, his ruby
cap a joy to see in the pink-budded
apple tree, his wings lined with
pure sun gold—such fun to be alive,
shouting his joy across two or-
chards—She answers, and he in-
stantly drums out a message on
the dead branch—more ways than
one of Telling Her! Flicker's court-
ship dance is as stately as a min-
uet, the pair balancing and bowing,
raising bills to heaven, touching
bills, crossing bills, like skilled
fencers, all to the accompaniment
of soft chuckles and giggles—pre-
tty, in the green and pink bower of
their tree . . .

"And beauty, like a gem, doth bing
Bright raiance thro the blinds of
spring."

Like looking at the green and
gold world thru the shutters of a
country church or the clinks of a
corn crib!—One basket yellow chips
from the flicker's carpentry—any
offers?

S'Amuser.

Handel's First English Songs

Handel's first English songs, in-
cluding "Dear Adonis" and "Trans-
porting Joy," were discovered in a
heap of manuscripts in the British
museum and published for the first
time.

Ditch, Car, Light Post Doesn't Stop Cavorting Driver

Vaulting a ditch, frisking a park-
ing lot car, bucking a Standard Oil
lamp post until its six foot cement
base was unearthed, the car of
James Corcoran, 2020 W. Kilpat-
rick avenue, Chicago, finally came
to rest after two wheels snapped off
and its undercarriage crippled with
the driver none the worse for the
whoopie ride, but bewildered as to
what might have happened. All
this occurred at the gas station of
Pat Lynn, River road and Higgins
road, Monday night. Corcoran was
driving south on River road, and
could not give any reason for the
accident.

Radio Playlet Contest Offered By Daughters Of American Revolution

A radio playlet contest for girl
students of the elementary and
high schools of Cook county is be-
ing sponsored by the Daughters of
the American Revolution, the two
winning contestants to present
their plays over station WGES May
27. Scripts must be mailed by May
14, for consideration by the judges,
Noble J. Puffer, county superintend-
ent of schools, and Richard H.
Kross, director of public relations,
WGES.

Playlets will deal with some
phase of Americanism or American
history containing a moral or les-
son and is restricted to not more
than 5 characters.

The contest is designed to stimu-
late more serious thought among
young people on American citizen-
ship, respect for the flag and appre-
ciation of life, liberty and the pur-
suit of happiness which our Consti-
tution guarantees.

Arlington Heights

Albert J. Kraemer Only Horner Man To Win In Cook County

Albert J. Kraemer, of Arlington Heights, who was a candidate for a member of the senatorial committee from the 7th district, upon the Horner ticket, with the exception of Judge Jarecki, was the only Horner candidate to win in Cook county.

Mr. Kraemer happens to be president of the Mt. Prospect Rural Fire League and Elk Grove township collector and President of the Horner-Courtney-Jarecki Democratic organization in Elk Grove township, but his business is that of a "coffee man" operating a coffee wagon in the western and southern part of Cook County. When asked if he was surprised over the vote accorded to him, he replied, "no, every time I sold a pound of coffee I did a bit of electioneering. With a kitchen door campaign and with the backing of Governor Horner, why should I not win?"

Mr. Kraemer defeated by 360 votes, Wm. F. Zick, the lowest man on the Kelly-Nash ticket.

Appreciates Support
Commenting further upon his election Mr. Kraemer says, "In all seriousness, I owe my election to the big majority given my candidacy by the voters in Wheeling and Elk Grove township. It was their votes that elected me. I can only say thank you. The office is not an important one, but my election shows that a common man can be elected."

Arlington Boy Wins DePauw Scholarship

Henry Walter Chidley of 830 N. Belmont avenue, Arlington Heights, was awarded an Edward Rector Scholarship to DePauw University, Greencastle, Ind., this week. These scholarships, worth \$1,000, are a reward for outstanding scholastic achievement in high school.

"Bud" stands at the head of his class and is a popular, well liked student. He has held positions on the Student Council, has been president of his class, earned a letter in basketball this year, and is now out for baseball. Quiet and unassuming, he has earned his place as one of the most popular high school students.

Each of the one hundred honor high school seniors that received a scholarship, met the minimum requirement of an average of 90 per cent for seven semesters' work and stood in the upper ten per cent of his class. Those who won this coveted award were generally first in their classes among the men and stood in the highest possible percentage in scholarship.

Rector Scholarships are good for four years at DePauw providing that the recipient meets the scholastic requirements on the campus. If held to completion the scholarship pays \$1,000 on a graduated scale of \$75 a semester the first year; \$100 a semester the sophomore year; \$125 a semester the junior year; and \$175 for the first semester of the senior year and \$225 for the second semester of the senior year.

Inhalator Purchased by Mt. Prospect Fire Department

The Mt. Prospect fire department has purchased an inhalator and has mounted it upon the rural fire truck with the approval of rural fire league. The rural truck answers all calls within the village as well as in the rural districts and Chief Bierman was of the opinion that there was no better place to have the outfit. The rural people were glad to cooperate.

Dr. Wolfarth is very much interested and will train a number of the firemen in its use. A demonstration will be a part of the program at the annual picnic July 23.

Mt. Prospect, Arlington Scout Troops Receive 10 Year Program Award

Troop 5 of Arlington Heights and Troop 23, Mt. Prospect, received the Ten Year Program Award, an award based on increase in membership, satisfactory program and re-registration of 80 per cent of the unit's membership, at the time of re-registration of a boy scout troop.

The National Council makes the award each year. The local troops qualifying will receive a seal on their charter and a medallion to be placed on the troop flag pole. Troop 5 is sponsored by the Ar-

School Children Hear Good-Will Broadcast

An international good-will program to school children was broadcast Wednesday afternoon by the Junior Red Cross over WENR, part originating in San Francisco and part in New York.

There was a dramatization of the origin and development of the Junior Red Cross followed by tributes to the accomplishments of Juniors in other lands by delegates to the Junior convention in San Francisco.

On May 18 at 2 o'clock, Chicago time, there will be a World Good Will Day broadcast over the NBC blue network, through the collaboration of the Junior Red Cross, the World Federation of Education Associations, and the National Congress of Parents and Teachers.

Official Returns Show Heavy Vote For Busse

The official count of the ballots voted in the Primary election was announced this week and while they failed to show any upsets they did show for the first time the pluralities of the successful candidates.

In the Democratic party Clayton Smith for president of the county board, had a plurality of 528,341, which was the highest given to any one candidate. Noble J. Puffer, candidate for county superintendent of schools with a total of 466,325 votes, received a plurality of 134,142 votes.

The recurring evidence of popularity of Commissioner William Busse throughout the county, was again in evidence. He received 2,000 votes more than George A. Miller who was second highest and over 7,000 more than Nixon, who was low man of the successful winners. The figures released to the press show only the successful candidates.

Perugia Overlooks the Tiber
Perugia city of Italy, is situated at an altitude of 1,640 feet above the valley of the Tiber, overlooking the slopes of the fertile plain.

First Message Through Cable
The first message through a submarine cable was transmitted from England to France under the English channel in November, 1851.

Tidal Shoreline of United States
The total tidal shoreline of the United States in statute miles, including mainland and islands, is 21,862 miles.

Universities Before Harvard
Spain's American colonies already had established five universities when Harvard, the first in the United States, was founded in 1636.

Known All Over The World

VEEDOL

GREASING SERVICE

LASTING LUBRICATION

for Quality... for Economy ... for Safety

In Arlington Heights, U. S. A.; in London, England; in Buenos Aires, Argentina... you'll find that motorists who demand the most for their money always use VEEDOL. For, in 59 countries throughout the world, Veedol Motor Oils and Greases are known and respected as the finest lubricants that can be put into an automobile.

Lubricating automobiles is no side-line with us. It is a distinct and important factor in the life of every automobile and our job is to see that it is correctly done. Car manufacturers stress proper lubrication as the biggest single item in getting the full life and mileage built into their cars. The Veedol Lubrication Guide, which shows exactly the grade of oil approved for your car, is followed religiously by our expert lubrication men. We have the best equipment obtainable, a full line of Veedol Oils and Greases, and... the desire to make you a regular customer. Give us a trial!

SEE DYNAMITE WRECK TIRES

AT **60** MILES PER HOUR

AND SEE THE CAR STOP SMOOTHLY AND SAFELY!

See spikes tear-open two tires on a car traveling at dazzling speeds and then see the driver bring the car to a smooth, normal, controlled stop on tires that have been blown-out but are still inflated.

Impossible? It was—before Goodyear invented the LIFEGUARD. Now you can do it—anybody can do it—safely—as we are going to show you.

Today you insist upon the protection of four-wheel brakes—safety glass—all-steel body. After you see this amazing show you'll insist upon LIFE-GUARDS to protect you from the danger of high speed tire failures.

See motoring's FOURTH GREAT SAFETY ACHIEVEMENT—the GOODYEAR LIFEGUARD—the tire within a tire. Don't miss this FREE SHOW...

News Of Interest To Our Farmers

Corn Production In South Shows 5-Year Decrease

Corn production in the cotton south has been smaller in three out of the past five years than the average for the five-year period 1928-32, according to figures supplied to Albert Landmeier of the Cook County Agricultural Conservation committee by the AAA in Washington, D. C.

There was a net decrease from the 1928-32 average in the number of bushels of corn produced during the five years, 1933 through 1937 in the 12 southern states: Virginia, North Carolina, South Carolina, Georgia, Florida, Tennessee, Alabama, Mississippi, Arkansas, Louisiana, Texas and Oklahoma.

Although the number of bushels of corn produced in these states during the five years of the AAA programs has been smaller, there has been a small increase over the previous five years in corn acreage. The 1928-32 average of corn acreage in these states was 28,807,000 acres. The 1933-37 average was 30,247,000 acres. The acreage in 1937, however, was 28,730,000 or slightly less than the 1928-32 average.

The average yield of corn in these states is 15.3 bushels an acre, compared with an average yield of 25.4 bushels an acre for all farms in the United States, and an average yield of 38.3 bushels an acre in Iowa, yet Iowa produces as many bushels of corn as all 12 of these states.

The southern farmer has been able to increase his home food and feed supply by using much of his acreage taken out of cotton for legumes, Sudan grass and pastures. In some cases land taken out of cotton has been held out of production in order that it might be terraced as a permanent conservation measure.

lague hall. Village election Tuesday was spirited, 103 votes were cast. Republican ticket, elected two trustees and Independent, one.

Arlington Heights

Born, to L. Crane and wife, a son, Sunday, April 19.

The Fife and Drum Corps serenaded the successful candidates, Tuesday evening.

Miss Lillie Reed and Mr. H. Shuttler of Maplewood, spent Sunday with her parents, Mr. and Mrs. R. Reed.

Over 200 votes were polled at the Arlington Heights public school election, Saturday evening, resulting in the choice of the following, for president of the Board of Education, Lewis G. Helms; for members of the Board of Education, Fred Sieburg, Sr., John C. Boeger, Zella Tesch, Dora Lachner, Laura Meyer, Lillie Hartmann, Albert Russell and Walter Weide, entered grade 7 in the public school, Monday.

Filled Milk Hit In High Court's Rule

Filled milk was dealt a staggering blow, April 25, when the U. S. Supreme Court reversed a decision of an Illinois district court and upheld the validity of the federal filled milk act of 1923 which prohibits interstate shipments of this coconut competitor of milk producers, according to information received by the Cook County Farm Bureau from Wilfred Shaw, director of milk marketing with the Illinois Agricultural Association.

"There is still need for state regulation to further curtail the unfair competition of filled milk with whole milk produced by Illinois dairymen," Shaw stated.

Filled milk is a trade term applied to skim milk to which coconut or other vegetable oils have been added to increase its fat content.

March Quad-City Milk Sales Gain With milk sales on other markets falling, March sales of milk and cream hit a new high in the Quad Cities of Davenport, Iowa, East Moline, Moline and Rock Island, Illinois, with an average daily consumption of 118,627 pounds, according to Wilfred Shaw, milk marketing director with the Illinois Agricultural Association.

"This reversal of sales trend as compared to other markets is due largely to the sustained industrial activities of the district which are dependent upon farm buying power," Shaw points out.

V. R. Wayman Opens Display Store

V. R. Wayman, well driller and dealer in farm electric machinery, has rented for a year the small store building at 19 West Campbell street, where he will maintain sales rooms.

SEVEN INJURED IN SKOKIE BLVD. CRASH

Seven persons from Waukegan, were injured when Turner E. Wilcox, Lake Bluff, drove into the rear of the parked car of Leslie Stump, Waukegan, who was making a tire repair on Skokie Blvd., one mile north of Willow road, last week. Stump's car was properly parked and lighted, witnesses averred.

LEXINGTON FARM, PALATINE, TOOL SHED BURGLARIZED

A tool shed at the Lexington Farm, Higgins and Plum Grove roads, Palatine, was burglarized last Friday night. M. A. Kern, owner, reported the loss of an air compressor and spray gun, electric drill, tires and wheels, paint and paint brushes.

Cotton Acreage Decrease Is Aid To Local Farmers

Cook county corn growers and dairymen have nothing to fear from cotton marketing quotas and other features of the 1938 AAA program as they affect the South, it is pointed out by Albert Landmeier, of the Cook County Agricultural Conservation Association.

"The real goal of the AAA program in the South as in all other areas is to improve buying power and to encourage a use of the land which will provide a permanent basis for profitable farming," he said.

"Improved buying power in the South means a better market for the nation's goods. Northern corn and dairy farmers definitely profit from the better market. The real stake that midwest agriculture has in the southern farm program is the increased buying power, the improved national business and the better market that goes with it."

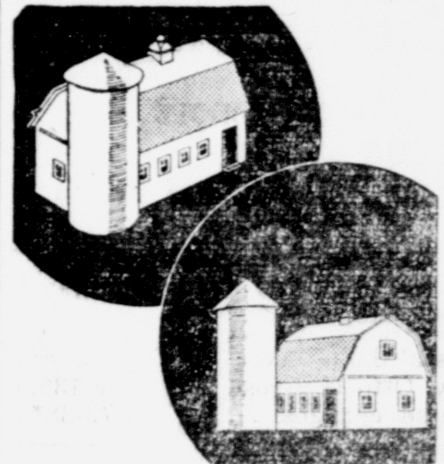

Recently available data for the nine states of the southern region show that: (1) Harvested cotton acreage in 1936 was 1,000,000 acres less than the 1930-33 average (prior to the AAA programs) and nearly six million acres less than in 1921, and (2) dairy cows numbered as of January 1, 1937, are 55,000 less than in 1933 (prior to the AAA programs) and 64,000 less than in 1936.

"Farmers in many sections of the south need more corn for the production for home use of meat and eggs, products which they can not afford to buy and, hence, must produce if they are to have them at all," it is pointed out in a statement made recently by Claude R. Wickard, director of the north central division of the AAA. "One of the aims of the AAA programs is to encourage them in such production for home consumption."

"A five-million-acre increase in corn production in the south would have been necessary to make up for the feed equivalent in cottonseed removed from competition with corn by cotton acreage reduction. Actually, instead of a five-million-acre increase, there was a one and one-half million-acre decrease in corn acreage from 1932 to 1936.

"Cottonseed meal and cottonseed oil compete in the nation's markets with corn and hog products. Cottonseed oil, used in vegetable shortening compounds, is a substitute for lard. Too much cotton not only means low prices for cotton and consequent low buying power in the South for northern products, but it also means too much cottonseed and consequently greater southern competition with the equi-

valent corn-hog products of the north." Relative to dairy products, Wickard pointed out that many families in the South are in actual need of milk and milk products which they can not afford to buy in sufficient quantities and must produce themselves if they are to have them. The number of dairy cows in the nine states of the southern region actually declined by 55,000 head between 1933 and 1937.

"The gist of the matter seems to be that cotton growers are not interested in commercial dairying," Wickard explained. "The AAA program, moreover, is not encouraging commercial dairying in the South. Encouragement is given farmers in impoverished ill-nourished areas to produce for themselves foods that they would otherwise go without."

Furthermore, southern farmers, like corn-belt farmers must keep within their total soil-depleting acreage allotment if they are to receive maximum payment.

A Perfect Setting for a

HOME

Large elm trees, peonies, grapes, asparagus and cherries, right in the village. Gas, electricity, sewer and water available. Selling in 1/2-acre or 1-acre tracts. Priced reasonable, with sewer assessments paid in full. Loans can be arranged for building. Only a limited number of these beautiful building sites.

Don't Let an Old Corn Planter Cheat You Out of Hybrid Corn Profits

McCormick-Deering "100 Series" Planters
Handle Hybrid Seed with Unexcelled Accuracy

All around you farmers are cashing in on the advantages of hybrid corn. Men with soil no better than yours may be banking more corn profit than you are. You can do as well... but you'll need a planter that can handle hybrid seed and put the kernels where they will sprout and grow into healthy plants.

McCormick-Deering "100 Series" Planters are designed to meet this need. Your choice of flat, edge, or hill-drop plates enables you to handle all varieties of corn. You may not be ready now to plant hybrid corn, but you surely want the planter you buy equipped to plant hybrid seed so you can make the change whenever you are ready.

The "100 Series" planters have many other features that combine to make them the full-value planters of the year. Ask us to quote you on a McCormick-Deering Planter for your use.

WHEELING

Mr. and Mrs. Lenard Bernard announced the birth of Lenard, Jr., at the Highland Park hospital last Wednesday, April 27. Lenard, Jr., is a bouncing boy, weighing 8 pounds and three ounces, and brings great joy to the Rogalskis, being their first grandchild.

Mr. and Mrs. Fred Cargill enjoyed a week-end trip to Urbana, as they provided transportation for several of the members of the Highland Park high school band, who were participating in the contest there.

A sale of home-made bakery goods will be held at the Wheeling Market next Wednesday afternoon, May 11, beginning at 2 o'clock. The proceeds will benefit Wheeling Camp R. N. A.

Mrs. A. Erlanson accompanied Mr. and Mrs. Turgenson of Chicago, to Columbus, Wis., to visit their daughter last week-end.

Little Delbert Dobbins was a guest at a birthday party for Bruce Mackey on Dundee road, Monday afternoon.

About 300 people gathered at the Community gym on Friday evening to enjoy the comedy "Don't Darken My Door." This was the first amateur dramatic production presented in the gym and it proved to be very entertaining and was well received. The cast had worked hard and each of the players interpreted his or her part very well. To get "Romance in the Soul" was the big problem of the play, and the end found all happily experiencing this "Romance" with the exception of the quaint spinster maidens who were made happy to at least have been eye-witnesses to a real elopement.

Mr. and Mrs. Chas. Balling, Jr. spent Sunday at the Balling home.

Mrs. Minnie Svahn is spending a few weeks here with her daughter, Mrs. James Bailey.

We are sorry to note that Mrs. Henry Grewe has been in poor health recently.

Having sold their home, the Albert Tatge family is moving to Des Plaines this week.

Mrs. Clarence Williams was called to Ridgeland, Mississippi by the sudden death of her father, Mr. Aug. Jurgens. Mr. Jurgens was 69 years of age, and had been in good health, until stricken with a heart attack early last Friday, which was followed by his death several hours later. Our sympathy is extended to Mrs. Williams in this sudden bereavement.

Master Bobby Wiest celebrated his 8th birthday with the help of eight pals last Thursday afternoon.

Carol Bellmore celebrated her sixth birthday with a party for her little friends on Friday afternoon.

The Highland Park high school band won first place in the first division band contest at Urbana last

Saturday. This entitles them to enter the national contest which will be held later this month at Elkhart, Indiana. Wheeling students who play in the band are Jessie and Robert Hartmann, W. James Upadel, Hudson Holtje, Edwin Kruse and Donald Bingham.

About 30 members and friends of the United Evangelical church at North Northfield, gathered at the church for a farewell party for their pastor, Rev. Gronewald, last Friday evening. A new pastor, Rev. Bischoff, will supply the parish beginning next Sunday.

Wheeling Aces baseball team were unable to open their season last Sunday, but plan to do so next Sunday, as they will play Glenview on the diamond in Glenview's new park. The game is scheduled for 2:30 p. m.

Mrs. G. Sicks motored to Wisconsin for the week-end, visiting relatives near Janesville, Wis.

A Preview On The 'Absent-Minded' Bridegroom

Have you checked your calendar for Thursday or Friday of next week, May 12 and 13, to attend "The Absent-Minded Bridegroom," which will be presented at the school gym on those evenings? We are sure you will not wish to miss it. Listen to several of the characters.

Kathleen: "Do you know what aphasia is?"

Fred: "Certainly. An aphasia is a bird with two wings. It always flies with its tail to the east. Aphasia is taken from two Greek roots. Aph—meaning the stern or rudder and Asia—meaning the Orient or east. Hence the name!"

Kathleen: "Are you trying to be funny or just stupid? Aphasia is a disease. When you have it you don't remember anything that happened before you had it."

Is this what made the bridegroom absent-minded? Come and find out. Admission will be 35 and 20 cents and proceeds will benefit the P. T. A. and Wheeling Aces.

Clean Up Days Are Here In Wheeling

Tuesday and Thursday of next week, May 10 and 12, have been selected as clean-up days for Wheeling.

The Chamber of Commerce will again help the people of the community clean up their yards by providing trucks to haul rubbish on those two days.

Everyone is urged to gather up all their old tin cans and rubbish and place it at the curb early on next Tuesday or Thursday. All small items such as cans or bottles must be in larger containers.

Help make Wheeling a more attractive place to live by having well kept yards. Remember the only expense to you is the "will to do it."

Wheeling In Monthly Meeting

Police Report 46 Arrests During April

The monthly meeting of the Village Board of Wheeling, was held on Monday evening.

Forty-six arrests were reported for the month of April, bringing in a total of \$113.00 in fines.

The monthly and annual report of the treasurer was read and accepted.

The auditing committee examined the books of the police magistrate, treasurer and clerk and reported favorable.

The returns of the special election were canvassed and found as follows: Votes cast, 124, No. 102; yes, 20; spoiled ballots, 2.

The Water committee reported that the water tank needed painting and repairing. Mr. Fassbender was asked to send a man to look at the tank to recommend the kind of paint and repairs necessary before asking for bids.

The question of running water into the cemetery was again discussed. The committee reported that Mr. Grandt had only one man available. The committee was ordered to confer with Mr. Grandt, again, about more men for the job.

Mr. Fred Evanger approached the board for tile for the ditches in front of his property. The board offered to furnish sufficient tile for his two driveways.

The flag rope, being in poor condition, a motion was carried that a new rope be purchased for the flag pole.

The street and sidewalk committee were authorized to repair roads wherever needed, hiring such help as necessary.

The sewer problem was discussed and it was decided to check up the present sewer for possible improvements.

A new sign on Milwaukee avenue north of Forbachs, was reported as being too close to the highway and the clerk was instructed to write to the company, asking them to move the sign back 50 feet.

Tree Stolen, Dog Poisoned; Offer Reward

Mr. and Mrs. Wm. Krueger, Jr., suffered the disappointment of losing their pet dog and having an evergreen tree stolen from their yard during the past two weeks.

The tree was a fir tree about two feet in height which had been brought from Florida by Mrs. Krueger's sister several years ago, and was stolen or destroyed Saturday, April 23. A few days later their dog, which was a cross between an airside and wire hair terrier, took sick and in spite of medical treatment, died last Friday.

A post-mortem on the dog revealed poison.

The Kruegers feel very badly about these losses and are offering a reward to anyone who can give them definite information about the same.

PRESBYTERIAN CHURCH
Sunday, May 8, Mother's Day.
Morning worship, 10:55 o'clock.
Mothers will be the honored attendants at this service. Members of the older church school classes will attend this service with their mothers as much as possible.

Sunday church school, 9:30, for primary room classes only.

Monday evening, May 9, a worker's conference of the church school, will be held at the Holtje home.

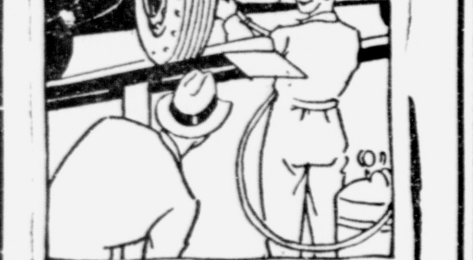

Wednesday evening, May 11, 8 p. m., Young People's club.

Thursday afternoon, May 12, monthly meeting Ladies' Aid society.

Thursday evening, 7:30, choir rehearsal.

MOUNT PROSPECT

P. T. A. MEETING MAY 11

Monday night, Mr. Fred Meeske gave all his employees a big treat. He chartered a bus to the Sherman hotel in Chicago where they attended a banquet given in celebration of the twentieth anniversary of the Centrella Wholesale Grocers. Ten employees and their wives and their friends attended. About 900 guests in all were celebrating. Mr. Meeske's treat was a huge success.

A baby girl was born to Mrs. A. L. Bernero of 111 Prospect Manor at the St. Francis hospital in Evanston between three and four a. m. Tuesday morning, May 3, 1:38. The infant weighed seven pounds and four ounces and was given the name Dona. She has a little sister eagerly awaiting her arrival home. Sandra is being cared for by Mrs. Mundt while her mother is in the hospital.

The son of G. S. Crawford is ill, but with all the well wishes of his friends ought to be very healthy again real soon. Come on, Bobby, perk up.

Mrs. C. W. Foff, Mrs. F. Kilcrease's mother, has just returned from a three months tour in California where she visited her brother in San Francisco.

Thursday the St. Paul's Ladies' Aid is sponsoring Martha Crane and Helen Joyce, well known radio speakers, in St. Paul's auditorium.

This Saturday night the Lions club is holding a dance at the Northwest Hills Country club, with Earl Friedrichs orchestra doing the honors. Everyone in town is expected.

May 14, the Northwest Children's Home Auxiliary, gave a plunkett dinner. Many Mt. Prospect women, members, attended. It was held in Des Plaines.

Mrs. Otto Goebbert, sister of Mrs. Fred Meeske, who underwent an operation at the Mt. Prospect General hospital on Friday, is reported doing nicely.

Mrs. Ernest Wolf left Tuesday morning for Quincy, Ill., to attend the P. T. A. convention.

The drug store has arranged to carry a supply of Airmail and Special Delivery stamps as well as stamps of ordinary denominations for the convenience of the public on Thursday afternoons only.

American Legion Auxiliary Notes

The American Legion Auxiliary will meet at the Legion hall Monday evening at 8:15 p. m., May 9, Mrs. G. Cunningham will be the hostess.

Cook County Council, Friday, May 13.

Cards will follow the business meeting.

ST. JOHN'S EPISCOPAL MISSION

Mt. Prospect, Ill.
Morning worship service will be held on Sunday at 11:00 a. m. in the V. F. W. clubhouse, N. Elm-hurst road, Mt. Prospect. An invitation is extended to come and worship.

Church school will start at 9:45 a. m. with class work and worship service. There will be classes for children from the kindergarten through the grades and a study class for young people. Deaconess Edith M. Adams is assisting in the organization of the church school. The most modern methods will be used, including visual education.

ST. PAUL'S LUTHERAN CHURCH

Lions Dance And Party Sat. Night

Big Time Planned; Everyone Invited

Next Saturday night is the Lions night to roar and in order that the jungles of Mount Prospect might echo and re-echo with their roar, the Lions hope to see all the other inhabitants of the "jungle" present to add their various hoots, calls and antics to the celebration.

All of this means that the Lions Annual Spring Dance and party is to be held at the Northwest Hills club house next Saturday evening, May 7, with entry at 9:00 p. m. In the past the dances of the Lions club have met with great success, attracting a large attendance each time and it is anticipated that the coming event will not fall short.

While friends come from long distances to attend these enjoyable dances and join in the party spirit always present at these affairs, the attendance is usually largely made up of local residents. Everyone able to still "shake a hoof" or with a yen to be in a merry neighborhood crowd, turns out and let it be made known to the new residents in town that if they want to meet a great number of their neighbors at one time and place and become quickly acquainted, this dance and party next Saturday night is the place.

The Lions club has been fortunate in obtaining Earl Friedrichs orchestra, ten pieces of syncopating rhythm, which will set the tempo of dances with an assortment that should satisfy everyone.

Tickets may be obtained from any Lion member or at the door. Come one—come all. A good time is positively assured.

County Clerk Flynn Aims To Protect Voters' Registration

by RAYMOND T. O'KEEFE, JR.

Having achieved remarkable success with Cook county's permanent registration system during the primary election—its initial test—County Clerk Michael J. Flynn is already proceeding with plans to keep the records accurate for the November poll.

Urging voters in county towns and villages, over which he has jurisdiction, to notify his office at once in event they change their address, Flynn is guarding against a last minute rush that caused such chaos in Chicago this last primary.

To back up his request, Flynn has distributed registration transfer blanks to county towns officials with orders they be given to moving concerns, which in turn will give them to their customers immediately following removal of their belongings to new residences.

Registrations were resumed in the county clerks office April 24 and will begin again in offices of city, township, village and incorporated town clerks May 2, to continue until October 11.

County Clerk Flynn has been flooded with congratulatory letters and telephone calls from both village officials and individual voters on the excellent performance of the county registration system. In the primary, the county's 190,422 registrations were in perfect order with no complaints received, no eligible voters disfranchised. The records are in such fine condition in the "automatic" master files, a voter's registration can be checked in 30 seconds. Flynn's chief election clerk, Daniel Carey, reports.

Plans are complete for the card party and fashion show to be given by the Mount Prospect Catholic Women's club, Friday evening, May 6, at Northwest Mills Country club.

Numerous door prizes will be given away, in addition to the beautiful quilt which is now on display at Landeck's store on Main street.

The Fashion show will be given in conjunction with the card party. This fashion show is sponsored by the Grace Johnson shop of Park Ridge and many late fashions will be displayed, climaxed by the ever popular bridal procession.

CARD PARTY AND FASHION SHOW

Plans are complete for the card party and fashion show to be given by the Mount Prospect Catholic Women's club, Friday evening, May 6, at Northwest Mills Country club.

Numerous door prizes will be given away, in addition to the beautiful quilt which is now on display at Landeck's store on Main street.

The Fashion show will be given in conjunction with the card party. This fashion show is sponsored by the Grace Johnson shop of Park Ridge and many late fashions will be displayed, climaxed by the ever popular bridal procession.

EAST MAINE

The pupils of the East Maine public school paid a visit to the Zoo at Brookfield on Tuesday of this week. They made the trip in two trucks and several parents went along with them.

Miss Clara Geweke and Mrs. John W. Kath bowled in the National Bowling tournament at Cincinnati, Clara bowling last week and Mrs. Kath's turn coming this week.

Don't forget, tonight (Friday), is the first performance of the three one-act plays the East Maine P. T. A. is presenting for the public. The curtain will rise at 8 o'clock, admission prices are 35 for adults and 15 cents for children and in case you have forgotten, the three productions are "Thanks Awfully," "Luncheon for Six" and "In Doubt About Daisy."

Jeannine Babcock, Lois Tagtmeier and Gwendolyn and June Meizer attended the ninth birthday celebration of little Miss Peggy Meizer at Des Plaines, May 3.

Glenview Lets Contract For Lake Michigan Water

Glenview became the last of the west north shore villages to consume Lake Michigan water instead of well water last week when they let a contract to Charles B. Johnson Son, Inc., for taking water from the Wilmette waterworks to the village to be completed in three months. Work has already been started on the project. A new water plant will be constructed at Glenview and larger mains installed.

Mrs. William R. Tagtmeier motored to Champaign over the week-end with Mrs. A. M. Ball and Mrs. Geo. Steil of Des Plaines, to attend the Mothers' Day festivities at the University of Illinois. Mrs. Tagtmeier and Mrs. Steil are members of the Mothers' club at the Beta Sigma Psi Fraternity house and at the meeting held on Saturday, both were elected to the new staff of officers of the club, Mrs. Steil being elected vice president and Mrs. Tagtmeier secretary-treasurer.

St. Matthews Bowling club wound up their seasonal bowling schedule last week with the eight teams showing the final standing for the season.

Northbrook High Student Council Plan Visitation Day for Grade Grads

Graduates of the grade schools of Northbrook have been invited to a "Visitation Day" at the high school Friday, an arrangement proposed and carried out by the student council which seeks to acquaint the prospective pupils with the grounds, the building, and the school classes.

Each visiting student will be met by a host or hostess, given lunch in the cafeteria, and taken on a tour. A program in the auditorium will follow at which the aims of the new high school and the faculty to be available will be explained.

Under State Supervision

Concrete pavements, built to the standards developed by highway engineers of this state, are the last word in safety. Yet they actually cost the public less than so-called "cheap" pavements. Concrete is safe because it provides a better "track" for vehicles. From your own experience you know that its even, gritty surface reduces skidding, wet weather or dry. Its freedom from bumps, ruts and chuckholes gives you better control at the wheel. Concrete's light gray color and high reflection factor helps you see better at night. Yet, with all these advantages, concrete is actually the cheapest road to have. First, because it costs less to build than other pavements of equal load-carrying capacity. Second, because concrete costs less to maintain—saves hundreds of dollars per mile, every year, compared with less enduring surfaces. Urge public officials to build your roads with safe and saving concrete.

New Homes
Will Have
Water MeterLate Meet Adjourned
Until Monday To Deal
With DelinquentsWho is going to buy the water
meter in the many new homes com-
ing to Arlington Heights, was a
question hard to settle at the belat-
ed Arlington Heights board meet-
ing Monday night.Newcomers to the village have
been surprised lately to be told
that their water would be shut off
in 48 hours unless a meter was
purchased. New homes have not
included the water meter in their
estimates and the contracted homes
have been minus a meter.According to the village ordin-
ance the contractor is allowed use
of water for which he pays a \$5
permit during the construction of
the building. Within 48 hours after
the building has been com-
pleted, the house must be metered.
Complaints from nearby residents
that someone was living in the
home and using the water without
a measuring device brought instant
action on the part of William
Luehring, Superintendent of
Streets, who was protecting the
rights of the village.With a warning to the house own-
er who sometimes was unaware
that his newly purchased home was
not metered, it was hard to explain
to them that the meter had not
been provided for. To save further
embarrassment, the board has au-
thorized the collection of the meter
fee at the time a building permit is
issued besides the customary charge
for using water during the con-
struction period. The meter may
then be installed at the will of the
contractor or the time of the ac-
tual occupation of the home.The village board was in session
until midnight Monday night and
still had on its hands the grave
question of dealing with the water
delinquents. An adjourned meeting
will be held next Monday evening
when the board will take definite
action against delinquents.John Allen, general chairman of
the zoning and appeal board com-
mittees, reported that the commit-
tees have already imarked upon
what will probably be a year's pro-
gram of rezoning or amending of
the present zoning ordinance. Be-
cause of the heavy task before the
committees, the two have been com-
bined to work together under the
zoning commission. Work will be
delegated under subcommittees and
Arlington Heights will undergo a
thorough examination. The zoning
ordinance was revised to allow for
an increased number on the zoning
committee.The police committee reported an
income of \$335 in fines since the
last regular board meeting. Ar-
lington Heights has the lowest ac-
cident rate in suburban towns under
25,000 since January 1. Collections
of \$965 in business licenses have
been made.A letter to the village clerk asked
that the writer be advised on an or-
dinance that applied to the use of
a sound truck on the streets of
Arlington Heights. He asked the
board to take exception because he
intended to use the instrument for
religious purposes. The letter will
have to go unanswered in spite of
the board's feelings in the matter
as the writer neglected to pen his
address.The board endorsed the appeal of
the Garden club to vacant lot own-
ers to improve their property and
make it more attractive.
Pulling of the pump on the north
side, a contract which was let some
time ago to Mr. Boyson of Liberty-
ville, was demanded within 10 days
or the contract was to revert to an-
other contractor.Mayor States Stand
George Palmer, commander of
the local legion post appeared be-
fore the board requesting the right
to use specified down town streets
as in past years for a carnival July
19-23. After considerable discus-
sion, Mayor Flentie placed him-
self on record as opposed to the per-
mit due, he said, to the numerous com-
plaints that he receives each year.
Objectionable features were men-
tioned by the mayor who claimed that
the legion had at times disregarded

FRIDAY, MAY 6, 1938

Eleven Arlington
Boys Apply For Duty
At C.M.T.C. CampsSince the quota for enrollments
in the C. M. T. C. is rapidly filling
up, any young men who have de-
cided to spend an enjoyable outdoor
vacation of four weeks in camp
must get their applications in soon
or be disappointed. That this train-
ing furnishes a pleasant month's
work, is definitely shown by the
fact that the allowable number of
enrollees is nearly complete after
recruiting has progressed but one
month.To date the following boys have
completed applications and passed
their preliminary physical examina-
tion given by Dr. E. A. Elfeld:
Theodore Thorson, Eugene Potter,
Robert Helfers, Don Weber, Steve
Stefanik, Edwin Behrens, Martin
Goerger, Alfred Behrens, Heinz
Rottel, Paul Wulbecker, Kenneth
Koenecke. Some of the boys have
already been notified of acceptance
and have been assigned to Camp
Custer which is located in the Na-
tional Forest Region of Michigan.If you wish to attend this camp,
with no expense to you, and are
over 17 years of age, you should
get an application blank at once
from Capt. E. B. Thornton at 722
North Ridge avenue, Arlington
Heights, any evening during the
week.Scarsdale Plans For
Annual Spring PartyScarsdale annual spring party is
to be held this year at the Elm-
hurst Country club, May 21.Arrangements are being made
for a much more colorful affair
than heretofore. Invitations will be
extended for the first time, to many
friends of members, not residing in
Scarsdale. It is expected that 250
will attend.Louis Henken, chairman of the
entertainment committee, states
that no effort or expense is to be
spared to make the occasion a
pleasurable one, bringing together
as it will, the many new residents
of the community with those from
other sections of the village.Council, 'A' Club
Spring Swing Dance
Is Gala AffairA good-sized crowd attended the
Spring Swing dance sponsored
jointly by the Student Council and
the "A" club at the high school
Saturday night.Music by Earl Fredericks orches-
tra, recently increased in size, was
appreciated.General opinion was that this af-
fair should be held annually fitting
in as it does between the winter
events and the Junior Prom.Joe Schiffhauer To
Be Host To Red WingsJoe Schiffhauer, who is manager
at Park View Tavern, formerly
Post Unger's place is congratulat-
ing the Red Wing ball team upon
their opening victory last Sunday
and will be host to all of the boys
that wear the Red Wing shirt, at
his place Friday evening. Refresh-
ments will include sandwiches. Mr.
Schiffhauer is a new resident in
Arlington Heights, but has already
shown the fellows that he is a lover
of sports and will be a strong
booster for the Red Wings during
the season.his request for removal of certain
games.The board voted unanimously in
favor of the permit, whereupon the
mayor asked to be recorded as op-
posed to the permit.

To Give May DanceThe second annual May dance of
the Holy Name Society will be
given at St. James School Hall,
North State Road, Arlington
Heights, Wednesday, May 11, when
Major Flynn's Pretzel Benks band
with the Bavarian Dancers in cos-
tume will be the attraction. The
dance of last year was one of the
big events of the year and an
equally good time is certain next
Wednesday."Of Human Hearts" Story
Of Ohio's Pioneer Days"Of Human Hearts," Walter Hus-
ton's first screen appearance since
his triumphs in "Dodsworth," is the
attraction coming Sunday and Mon-
day to the Arlington Theatre, with
James Stewart, Beulah Bondi and
an elaborate character cast.The new picture, directed by
Clarence Brown, is the story of an
itinerant preacher and his family
in an Ohio village of Lincoln's day.
Father and son misunderstand each
other and there are family troubles.
The boy deserts the family to be-
come a doctor, the Civil War inter-
venes and he is finally set on the
right path by Lincoln. Dramatic
highlights such as the desperate
fight between father and son are
interspersed among tender human
interest and comedy sequences.The picture marks the film debut
of Leatrice Joy Gilbert, daughter
of the late John Gilbert. Also prom-
inent in the large cast are Guy Kib-
bee, Charles Coburn, Gene Lock-
hart, Ann Rutherford, Arthur
Aylesworth, Clem Bevans, Charley
Grapewin, Gene Reynolds, Sterling
Holloway, Charles Peck, Robert
McWade, John Carradine, Leona
Roberts and Minor Watson.Much of the picture was filmed
on a replica of an Ohio village
where the company of 200 was on
location for weeks. Five hundred
horsemen figure in the cavalry
charge which is the only war scene
in the picture. The picture intro-
duces to the screen "Pilgrim," the
remarkable horse actor, as Huston's
faithful steed."Of Human Hearts," like "Ah
Wilderness!" which Brown also di-
rected, is a running account of the
life of a family, though theme and
story are entirely different. It is
based on the story, "Benefits For-
got," by Honore Morrow.DES PLAINES WOMAN
RECEIVE SHARE IN
\$15,000 MEYER ESTATEThe will of the late Adam Meyer,
who died Feb. 22, has just been ad-
mitted to probate. It disposes of
an estate estimated worth \$15,000.
After some separate bequests the
residue is divided into 25 shares
with one share each going to that
many relatives and friends. Mrs.
Adam Brand of Des Plaines is left a
share.1790 Census North of Ohio River

Patrol Boys Enjoy
Visit At StatevilleForty-three patrol boys and ten
adults from Arlington Heights had
the privilege of visiting Stateville
prison last Wednesday. It was an
experience that even the men will
not forget. Arrangements for the
visit had been made by Chief Skoog.
With the cooperation of Command-
er Palmer of the legion, Supt. Bak-
er of the public schools, O. A. Kolb
of the Lutheran school and the sis-
ters of St. James school, practically
all of the patrol boys were able to
attend.Due to the difference in time,
visitors from Arlington Heights ar-
rived an hour ahead of time in the
midst of a dragnet test in which
prison guards sought to apprehend
one of their number who had been
given twenty minutes start. The
boys were in the warden's office as
the guards bearing guns, returned
from their patrol (with their pris-
oner).The boys had the opportunity to
see such celebrities as Leopold,
and Touhy. They visited several
factories, bake shop, mess hall and
kitchen. The boys left for home de-
termined that they would never
commit a deed that would call for
a compulsory invitation to make
a return visit.'Summer Roundup' Is
Health Measure For
Pre-school ChildrenIf you are planning to send your
child either to kindergarten or
grade school next year, the P. T. A.
is asking all parents to bring their
children to the "Summer Round-up"
to be held at the North school May
31. A health clinic for pre-kind-
ergarten and pre-school age children,
will be given to see that they be
allowed every chance to get along
in their new surroundings. Any
defect in their condition may be
corrected so that the child may pro-
ceed normally in the school curri-
culum.A "check-up" for children of the
parochial and the catholic schools
will be announced at a later date.Doctors Schimmel and Dunn will
be in charge of the clinic. Mrs. Rus-
sel Ford, chairman of the P. T. A.
committee is urging all parents to
help maintain the health standards
of the community.Municipal Shower All
Complete, Ready
For VisitorsThere is no need for any member
of the Boho profession to leave Ar-
lington Heights unclean. A shower
has been added to the facilities
of the jail and roomers must
"shower" before they can sleep.
The shower has all the trimmings
including a pink bath brush. Hot
water is maintained 24 hours a
day. Who's next?Lutheran Father and
Sons Banquet May 21The Lutheran Laymen League of
St. Peter's Lutheran church of Ar-
lington Heights are giving a ban-
quet in honor of the father and
sons of this community, May 21, at
8 p. m. We hope all fathers will at-
tend this banquet with their son or
with a neighbor's son. There will
be entertainment for all.Hartmann's Three-Day
Economy Sale of White
Shoes Starts This WeekHartmann's Shoe store is usher-
ing in summer with a bang as they
come out this week with a big
Three Day Economy Sale of white
shoes for every member of the
family. The new smart styles of
summer shoes are attractively dis-
played here and are stocked in a
wide range of sizes. The Hart-
mann's are not only featuring new
summer shoes, but are featuring
them at mid-summer sale prices.Mail to Leave
Arlington
By PlaneArrangements have been com-
pleted by Mrs. Dodge, Arlington
Heights postmaster for special air
mail service from the local post-
office May 19 in honor of air mail
week. The mail will close at 3 p. m.
of that day; taken by truck to Pal-
waukee airport, where pilot Eu-
gene Jensen, flying a Waco 5 pas-
senger cabin plane equipped with
receiver and transmitter, will take
it to the Municipal airport.A similar service is being pro-
vided for Mt. Prospect and Des
Plaines. This is the first time that
air mail has left directly from the
local postoffice without first taken
by train.All air-mail of the week will be
stamped with a special Arlington
Heights cachet. Mrs. Dodge ex-
pects that a large number of Ar-
lington Heights patrons will use
the service and has ordered a good
supply of the special stamps.Here is a rare chance for stamp
collectors to get an unusual stamp.Proclamation by
Mayor FlentieThe Post Office Department at
Washington is sponsoring National
Air Mail Week from May 15 to 21,
inclusive, to celebrate the twentieth
anniversary of regular Air Mail
Service in the United States. We
heartily join in that celebration.The citizens of Illinois are tak-
ing their great part in supporting
and encouraging our National Air
Mail Service—a service that is un-
surpassed by any other nation in
the world.Now, therefore, I, J. D. Flentie,
Mayor of the Village of Arlington
Heights, Illinois, do hereby design-
ate the week of May 15-21, 1938
as Air Mail Week for Ar-
lington Heights, and urge the peo-
ple of our community to make prop-
er observance of this period by lib-
erally patronizing the Air Mail and
in all other ways showing their ap-
preciation of the facilities provided
by the Post Office Department.In Witness Whereof, I have here-
unto set my hand this 3rd day of
May, 1938.

J. D. FLENTIE, Mayor.

10th Anniversary Banquet

The members of the Walther
Leagues of the St. Peter's church,
Arlington Heights, are looking
forward to the 10th anniversary
banquet which will be held in the
Lutheran school hall, Sunday, May
22. Tickets are being sold at 65c
a plate.Wants To Buy a Boat
Appeals to HeraldMr. Schremek, R. R. 1, Mt. Pros-
pect, has appealed to the classified
section of the Herald for the name
of a man who recently advertised

MAC SAYS

—By—
Gerald A. Mc Elroy

Geneva was the class of the meet and showed up in the class A schools in decisive fashion. Had there been no class B division of relays Geneva would have lost but one point from their total of 49 while Naperville the "A" winner would have lost two points from a total of 34. The fact that the 1938 Palatine meet was unusual for the good records made gives all the more credit to Coach Nelson and his track stars Michael, Zacco, Schibetta, Dahlin, Forbes, Starck, Wilderspin, King, and Carbenier, who took home 18 medals. Geneva's champs were one of the best in the history of the meet.

Wins Class A With One First

Naperville won Class A but did it with but one first place. However Harshbarger's team placed in 12 out of 16 events. Shoger, Naperville sprinter, who made 10.2 time in the 100 last week was home with measles while his teammates were winning 11 medals and the class A trophy.

One of the big reasons for the success of the sixth annual relays was the excellent starting of John Noy of New Trier who handled this part of the meet.

O'Hara, Lake Forest Is Star

O'Hara of Lake Forest was the individual star of the meet. He was the only double winner. O'Hara took the high hurdles and 220 yard dash championships and ran well in the relays.

First Year of Track

Coaches Lindenmeier and Snow are to be congratulated on the fine team they have developed in the first year of track at Lake Forest. They had the class A division in the bag when they won the final event, the 880 yard relay, in record time, but were disqualified from the event on a foul. The foul occurred when a Lake Forest boy ran out of his lane after passing the baton and bumped an Argo boy off the track. The result was that Argos chance of placing was gone and Lake Forest lost the meet and a new record.

Gallery, Bensenville, Runs Well

Gallery of Bensenville, ran the second best mile yet recorded on the Palatine track in winning first honors in 4:53 and did it after taking fourth in the 880 in which he was timed at 2:10.5. It was the climax to three years of fine running by "shadow" in the Palatine meet.

Another boy who deserves a lot of credit is Moore, the game little runner from Lake Forest, who, in his first year of track, tied for first in the half mile with 2:08 and then ran a five minute mile to take third.

Lake Forest, as a result of Saturday's showing rates as favorite to cop the Northwest Conference meet this year or at least come mighty close. On the basis of Saturday's showing Arlington and Grant will have a lot to say about that conference meet. One more good man would make any of these teams a cinch. Grant needs a good middle distance man, Arlington a sprinter, and Lake Forest a weight man.

Conference Has High Jumpers

Not so many years ago a boy who could make five feet six inches in the high jump was a cinch to be among the first three. Saturday two boys, Hansen of West Chicago and Nangle of Palatine, cleared five feet eight inches, failed at five foot ten and did not get medals because five boys did make that mark or better. Three of these five were Milligan and Mueller of Arlington, and Priebe of Libertyville which is a fair indication of what the conference meet will have in high jumping.

Zacco, Geneva, Clears 6 ft. 2 in.

Without question the six foot two inch jump of Zacco of Geneva, the 48.1 second 440 relay mark of the Geneva quartet Starck, King, Carbenier, and Pahl, the run of Folkman of Arlington in the 440, and the Lake Forest medley relay mark of 3:59.5 were the outstanding performances of the day.

Libertyville did not rank as high as usual and one of the big reasons was that Enevold, their star runner, was out with a pulled muscle. Palatine Breaks Relay Marks, Places Third and Fifth

Palatine had the unique distinction of breaking all three of the class B relay marks, but yet finished only third in the medley and 440 relays and fifth in the 880. It just shows what good weather and stiff competition will do to records. The first seven teams in the 880 relay in B class bettered the record, as did the first four in the medley and the first three in the 440 relay.

All Places in 440 Break Record

Every boy placing in the 440 equaled or bettered the Palatine track record with Folkman running a brilliant race to establish a new mark at 53.4 seconds. This bettered that made by Rohlwing of Arlington in the 1935 meet. All five 440 men were grouped within six tenths of a second. Dahlin, a sophomore, of Geneva ran in 53.5, Meeks of Batavia 53.8, Doss of Leyden 53.9, and Mazza and Kregger of Naperville, 54 flat.

Ten schools came in for a share of the gold first place medals Saturday. Geneva and Lake Forest each captured five first places, Harlem won two, and one first place each was won by Arlington, Bensenville, Batavia, Crystal Lake, Leyden, Naperville, and Woodstock.

Naperville, Geneva Win Class A, B in Palatine Relays

Table Of Points Leading Scorers

Class B	Points	Class A	Points
Geneva	49	Naperville	34 1/2
Grant of Fox Lake	22 3/4	Lake Forest	28 1/2
Harlem of Rockford	14 1/2	Arlington	28 1/2
Bensenville	13	Crystal Lake	20 3/4
Palatine	7	Batavia	17 1/4
West Chicago	6	Libertyville	12
Marengo	6	Woodstock	9 1/2
Barrington	2 1/2	Argo	5
Harvard	1		
McHenry	0		

Summary Of Palatine Relays

120 Yard High Hurdles—Won by O'Hara, Lake Forest (16.6 sec.); 2nd, Schibetta, Geneva (16.7); 3rd, Burleigh, Grant, and Nadelhoffer, Naperville, tied (17); 5th, McLaughlin, Crystal Lake, (17.4).

880 Yard Run—Won by Moore, Lake Forest and Eckstrom, Harlem, tied (2:08 min); 3rd, Rohlwing, Arlington, (2:09); 4th, Gallery, Bensenville, (2:10.5); 6th, Netzel, Naperville (2:11.7).

100 Yard Dash—Won by Peschman, Lake Forest (10.9 sec.); 2nd, R. Williams, Argo; 3rd, Zedro, Naperville; 4th, Burleigh, Grant; 5th, Schibetta, Geneva.

Javelin—Won by D. Bell, Woodstock (109 ft. 10 in.); 2nd, Starck, Geneva (156 ft. 11 in.); 3rd, Dufault, Grant (151 ft. 10 1/2 in.); 4th, B. Bell, Woodstock (150 ft. 5 in.); 5th, Mielke, Grant (148 ft. 5 in.).

Broad Jump—Won by Jackson, Leyden (20 ft. 3 in.); 2nd, Johnson, Batavia (20 ft. 1 1/2 in.); 3rd, Mazza, Naperville (19 ft. 6 1/2 in.); 4th, Nadelhoffer, Naperville (19 ft. 3 1/2 in.); 5th, Nelson, Batavia (19 ft. 3 1/4 in.).

440 Yard Run—Won by Folkman, Arlington (53.4 sec.); 2nd, Dahlin, Geneva, (53.5); 3rd, Meeks, Batavia, (53.8); 4th, Doss, Leyden, (53.9); 5th, Mazza & Kregger, Naperville, tied (54). (New record—old record 54 sec. by Rohlwing, Arlington, and Osborn, Barrington, 1935).

200 Yard Low Hurdles—Won by Michael, Geneva, (25.5 sec.); 2nd, Mueller, Arlington, and Nadelhoffer, Naperville, tied (25.6); 4th, Burleigh, Grant, (25.7); 5th, Starck, Geneva, (26.3).

High Jump—Won by Zacco, Geneva, (6 ft. 2 in.); 2nd, Milligan, Arlington, (6 ft. 3 in.); 3rd, Mueller, Arlington, (5 ft. 10 1/2 in.); 4th, Bauman, Marengo, tied (5 ft. 10 in.); (a new record—old record 5 ft. 11 1/8 in. by Ray, Libertyville, 1936).

Shot Put—Won by Behan, Crystal Lake, (42 ft. 5 1/2 in.); 2nd, Dufault, Grant, (40 ft. 10 1/2 in.); 3rd, Gerber, Naperville, (40 ft. 9 in.); 4th, Roulo, Leyden, and Deodice, Naperville, tied (39 ft. 6 1/4 in.).

220 Yard Dash—Won by O'Hara, Lake Forest, (24.5 sec.); 2nd, Zedro, Naperville, (24.7); 3rd, Wilson, Libertyville, (24.8); 4th, Trumble, Woodstock; 5th, Price, Harvard.

Cardinals Lose To Leyden 13-1

Southpaw Silences Arlington Bats; Locals Get 5 Errors

The Cardinals from Arlington fared badly in their encounter with Leyden last Friday, losing 13 to 1. About everything that could happen to a team in one game, happened to them. The batters lost their confidence at the plate and were set down by a simple curve ball.

The blinding sun-field in right helped touch off a four-run rally for Leyden in the first inning.

A couple of drives bounded past the infielders who failed to figure the bounce from the newly-rolled, concrete-hard infield. Two or three queer decisions on plays that should have been obvious, put on the finishing touches.

Zuperku's left-handed slants stopped Arlington cold until the third inning, when Bach singled. Nothing came of the blow. Kehe singled in the fourth and was forced on a lucky play as Vaughn, sprawled all over the short stop position but managed to reach the ball, as he lay on the ground, and tossed it to Liebbe.

Lemke powdered one to center-field for two bases and Kirchhoff raced home. Grossi struck out to end the inning. Three walks and a pair of fielder's choices were the rest of the Arlington offense.

For Leyden Meyer, opened the game with a single. Stanakis lined to Fimbach in right, who dropped the ball. Amato popped to Kehe and he lost the ball completely in the sun. One run scored. The bases were filled when Roulo was waved to first after the ball caromed off his bat and hit his arm. The ringing sound was heard in the outfield as the ball hit wood, but not by the umpire, behind the pitcher's mound. Nelson hit a long fly with the wind good for a double, but was out when he overran second. The play went back to Kirchhoff to

Arlington Takes Third "A" Division; Six Track Records Fall

LAKE FOREST LOSES MEET BY FOUL IN LAST EVENT

Six Palatine track records fell as the athletes of 19 schools, competed under perfect weather conditions in the sixth annual Palatine Relays last Saturday. Geneva, a class B school, set the pace in the meet. Coach Nelson's team not only won the "B" trophy, but scored 49 points to finish with a 14 point advantage over the Class A winner, Naperville.

Geneva's closest competitor in B class was Grant with 22 3/4 points less than half the number scored by the winner. Harlem with 14 1/2 and Bensenville with 13, were third and fourth.

Naperville scored only one first place, but had a well balanced team that placed in most of the events to total 34 1/2. Lake Forest scored five first places and would have won the A division, but for a foul in the last relay which caused them to lose the five points they otherwise would have gained as winners of the event. Arlington made a good showing and was right on the heels of the winners with 28 1/2 points.

Crystal Lake and Batavia also made good records in the A division. Good time was made in all the events on the program particularly the relays, where four new records were set and one tied in a total of six events.

Libertyville tied the class A Frosh-Soph 440 relay record that they themselves set last season at 49.1 seconds, but Geneva in the class B of the same event ran the relay in 48.1 seconds for a new record.

Harlem broke the class B medley record as did also the other schools which followed them in time. They ran the event in 4:02.5 min. Lake Forest broke the class A medley mark by running the mile in 3:59.5 min.

The class B 880 relay record set last year by Geneva, was broken by all the first five teams. Geneva was first with a new record of 1:38 min.

The best performance of the day was made by Zacco of Geneva, who set a new record of six feet and two inches in the high jump. The old mark of five feet 11 inches was made by Ray of Libertyville in 1936.

Arlington did not repeat as champion of the meet, but Folkman, quarter miler, broke the record of 54 seconds when he circled the track in 53.4 seconds.

Time in the dashes and hurdles was not unusual, but the relays and the middle distance and distance races were exceptionally fast. The meet drew the largest entry list in its history with 19 competing as compared with 13 last year and 10 in 1936.

Only one event on the program, the shot put, was decidedly below the standard of past meets. High scorers of the meet were Dufault of Grant with 11 points, O'Hara of Lake Forest with two firsts for 10 points. Gerber and Nadelhoffer of Naperville and Behan of Crystal Lake with eight, and Gallery of Bensenville, Morre of Lake Forest and Zedro of Naperville with totals of seven.

Of special interest to local fans was Folkman's record breaking 440 and Gallery's mile victory for Bensenville. Mueller in the high jump and hurdles, Milligan in the high jump, and Rohlwing in the 880 were the best boys representing Arlington. The Cardinals also placed second in two relays, breaking the medley record in that event.

Palatine was represented mainly in the three relays with freshmen and sophomores running in most of the positions in all the races. The Pirates broke all three class B records, but gained only two thirds and a fifth. The running of Hollinger, Senne, and Smith was

Coach Congratulates Palatine In Conduct Of Track Meet

Sincerest thanks and congratulations are due Palatine high school, to Dr. Reusser, and especially to coach McElroy for the splendid track and field meet conducted by them this past Saturday.

It is unquestionably the biggest thing for the smaller high schools in the northern part of the state. When entries come in from as far south as Naperville and Batavia, as far west as Rockford, and they embrace practically every small school that sponsors track within this territory, some idea is to be had as to the scope of the meet.

The competition was keen and the marks set in many of the events would do credit to most any of the larger schools.

In the six years this meet has been sponsored by Palatine, it has grown each year. It is to be sincerely hoped that it will be continued. Each and every coach with teams participating, appreciated the opportunity to be present.

A vast amount of detailed work is necessary to the holding of such a carnival. The fact that it was run off so smoothly and in such a brief time proves the care with which the meet was planned and conducted.

John L. Grose.

Red Wings Beat Chicago Cardinals

Red Wings opened their season Sunday with a victory over the colored Chicago Cardinals, 5 to 4. The game was well played and as hotly contested as a mid season game.

Mel Kehe who started on the mound, gave a good performance the four innings he pitched, giving up only one run and four hits.

Geo. Schaefer also gave a good account of himself displaying a good assortment of curves and fast balls, allowing runs and 3 hits in five innings.

The high light of the game was a long home-run over the center fielders head by Roger Hertel.

There was a large turnout of fans Sunday, and with loyal support throughout the summer, only the best teams the Mid West League has to offer will be booked.

The game was preceded by a parade led by members of the American Legion and their junior drum and bugle corps and members of both teams. The junior drum and bugle corps made a good impression with the fans, and the Red Wing ball club wishes to thank them for their cooperation and also so congratulate them on a splendid performance.

Sunday, May 8, the Necars A. C. will furnish the opposition at the recreation park. This team has a good reputation around Chicago and should put up a worthwhile battle. Game called at 3 p. m. so plan to be on hand.

Score by innings:
Chi. Cardinals 100 001 020—5 7 1
Red Wings 000 011 102—4 7 3

best for Palatine.

Bensenville's Frosh-Sophs took second in the 440 relay in record time and the Bisons also surpassed the 880 relay record running in fourth position.

Palatine Relays Meet Recalls Records Made In 1935, Arlington Winner

Speaking of outstanding team winners of the Palatine Relays brings to mind that great Arlington team of 1935, led by Rohlwing who established 440 and 880 records the same afternoon and then ran on the 880 relay team to a 1:37.5 mark which still stands.

That was the same year that Hahnfeldt threw the discus 145 feet 6 inches and the javelin 186 feet 10 inches for marks that will stand on the record books for years. It was that same year that Mervin of Woodstock pole vaulted to the record breaking height of 12 feet, 7 inches.

This year's meet did not have as great performers as 1935 with the exception of the high jumper Zacco, but the average of competition at the 1938 meet was the best in its history.

Arlington Track Squad Will Send Medley Relay Team To Proviso

Arlington's track squad is experiencing a little let up this week after their good showing at the Palatine relays last week. Going better than had been expected they were a close second.

Before the meet they had expected to be badly outclassed, but due to some mighty fine individual performances by Joe Mueller, Capt. Rohlwing, Vance Folkman and Milligan, coupled with the three relay groups, more points were garnered than had been expected.

The only activity for the first team this week will be the sending of a medley relay squad to the Proviso relays Saturday night at Maywood. One of the best field and track carnivals held in this end of the State will be staged Saturday night.

It is expected that Folkman will run a quarter, Koelling and Lachina will go a 220 each, with John Rohlwing doing his specialty, the half, to anchor this medley squad.

Next week the entire squad gets down to business again. On Tuesday the annual Arlington-Barrington-Palatine triangular will be held at Palatine. On Friday the Frosh-Sophs will go to Barrington and on Saturday, May 14, a good squad will compete in the State District meet at Evanston.

Cards Defeat Antioch

Errors, Two Walks, Give Winning Runs To Arlington Nine

The home fans were treated to some thrills as the high school team netted its third victory in four conference starts at Recreation Park, Tuesday.

The pitching of Bob Busse, who was invincible in the pinches, after the first inning, was the high spot of the game. Plenty of hustle put the game on ice for the Cardinals when they scored three runs in the third inning. Antioch scored once in the first and threatened in each of the last four innings.

Antioch scored on a single, an Arlington error, and another single in the first. In the fourth, Doolittle singled, reached third on a sacrifice and a passed ball, but got no further when M. Schneider fled to Bach.

In the fifth, two walks with one out brought no results as Denman failed to beat out a bunt and Mel Bach hauled down Effinger's long drive far out along the left field foul line.

In the sixth a punctured batsman and a single with none out, put Busse in trouble. He threw Dalgard's easy tap to Lemke for a force at third. O'Hagan made a fine play on M. Schneider's high, twisting foul, and Kehe took Miller's pop-up.

Arlington's second error in the seventh, followed by Crandall's single, put the pressure on Busse again. Two strike-outs and a force at third ended the ball game.

Arlington scored in the third on an error at first, followed by a pair of walks. The Antioch short-stop threw to the wrong base once and the catcher threw into center field once to let all three runs come in. Kirchhoff's single, O'Hagan's long double, and Bach's single netted only one run in the fourth.

Koenig's good double in the fifth was wasted when M. Schneider and Doolittle made a great play to nail him going into third. Bach's second single, in the sixth, was the last Arlington hit.

Arlington, 4 runs, five hits, 2 errors.
Antioch, 1 run, five hits, 3 errors.
Struck out, by Busse, 7; by Riddel, 8.
Bases on balls, off Busse, 2; off Riddel, 2.

Home Run Hitters Please Take Notice

All long hitters with V-8 power on the Arlington Red Wing ball club and visiting club are warned that any ball hit over on the Purnell & Wilson Used Car Lot behind left field in Sunday's game will be honored with a \$25 credit on any used car on the premises.

The fact of the matter is that Clarence True Wilson, proprietor, scoffs at the idea that any local player has punch enough to get a ball that far. It takes V-8 power to get them that far, he says. Come on Farmer and the rest of you sluggers, let's show Mr. Wilson that this is not Des Plaines.

News Reel of the Elementary School

FIRST—SOUTH
The first grade is studying about health. Miss Jackson came to talk to the children about it and to weigh them. These are some health rules that were written by the children.

Health Rules
Eat vegetables to grow strong and healthy.
You should sleep with your windows open.
Drink milk to make you healthy.
Do not eat too much candy.
Brush your teeth every day.
Keep yourself clean.

SECOND SOUTH
The Parade
I saw the parade.
My cousins were in the parade.
The parade was up town. My little cousin is in the Second Grade. He plays a drum.

ADVERTISEMENT FOR BIDS

School District No. 25, Cook County, Illinois, acting by and through its Board of Education, will receive sealed bids for "Lighting Fixtures" for an eleven class room and basement school building until 8:00 p. m. Daylight Savings Time on the 18th day of May, 1938, at the Arlington Heights Grade School, located at State Road and St. James Street, Arlington Heights, State of Illinois, at which time and place all bids will be publicly opened and read aloud.

The contract documents, including specifications, are on file at the office of C. V. Baker, Superintendent of Schools of the Board of Education of School District No. 25, Cook County, Illinois, at State Road and St. James Street, Arlington Heights, Illinois, and at the office of Godfrey E. Larson, Inc., Architects, at Room 1516, 77 West Washington Street, Chicago, Illinois.

Copies of the documents may be obtained by depositing \$5.00 with Godfrey E. Larson, Inc., Architects, for each set of documents so obtained. The amount of the deposit for one set of documents will be refunded to each actual bidder who returns the documents in good condition within ten (10) days after the opening of bids.

The Board of Education of School District No. 25, Cook County, Illinois, reserves the right to reject any or all bids and to waive any informalities in bidding.

A certified check or bank draft payable to School District No. 25, Cook County, Illinois, or a satisfactory bid bond executed by the bidder and a surety company, in an amount equal to five per cent (5%) of the bid shall be submitted with each bid.

No bid shall be withdrawn after the opening of bids without the consent of the Board of Education of School District No. 25, Cook County, Illinois, after a period of thirty (30) days after the schedule time of closing bids.

School District No. 25, Cook County, Illinois, C. E. McWharther, Secy. Board of Education of School District No. 25, Cook County, Illinois.

Dated Arlington Heights, Illinois, May 5, 1938.

ARLINGTON HEIGHTS PARK DISTRICT OFFICIAL NOTICE

NOTICE OF SPECIAL ELECTION TO THE VOTERS OF THE ARLINGTON HEIGHTS PARK DISTRICT, COOK COUNTY, ILLINOIS.

PUBLIC NOTICE is hereby given that a special election will be held in and for the Arlington Heights Park District, Cook County, Illinois, on the 14th day of May, 1938, at which time there will be submitted to the voters of said Park District the proposition of voting "for" or "against" the increase of the authorized aggregate indebtedness of the Arlington Heights Park District, Cook County, Illinois, to not more than five per cent (5%) of the value of the taxable property therein, according to the last assessment for State and County taxes previous to the incurring from time to time of said indebtedness.

This special election is called pursuant to a petition requesting the same signed by not less than two per cent (2%) of the legal voters of the District filed in the office of the Secretary of the District on the 4th day of April, 1938.

Said election will be held in the several election precincts of said Park District heretofore established by ordinance as voting precincts and at the polling place therein, as follows:

Precinct Number 1.—All that part of the Arlington Heights Park District situated within Wheeling Township. Polling Place—Arlington Heights Park District Field House, 500 E. Miner street, in the Village of Arlington Heights.

Precinct Number 2.—All that part of the Arlington Heights Park District situated within Elk Grove Township. Polling Place—Residence of Wm. E. Greening, 1006 South Vail Avenue in the Village of Arlington Heights.

The polls at said election will be opened at six o'clock in the morning and will be closed at five o'clock in the evening of said day.

All persons qualified to vote at general park elections are entitled to vote on said proposition at the polling place within the election precinct within which he resides.

By order of the Board of Park Commissioners of the Arlington Heights Park District, Cook County, Illinois.

Dated the 13th day of April, 1938.

O. G. BOLTE, Secretary. (5-13)

Bonnie's Puppies
Our dog has four puppies. There are three girls and one boy. Their eyes are still closed. I like them very much.
Jean Baldwin.

THIRD SOUTH
Happiness in Flowers
Flowers are blooming in the Forest Preserves. Spring beauties, violets, white and red trilliums, dog-tooth violets and phlox are out. These flowers are for us to enjoy, but we must not pick them. Soon the wild-crab apple trees will be in blossom in Elk Grove and Deer Grove. Dale Williams.

FIFTH—SOUTH
Lila's
Lila dear, lila dear, how soon you came this year. Your flower is so sweet. Your fragrance so sweet, I wish you would stay. And never, never go away.
Margaret Yakubik.

Mother's
Poetry, poetry, how it rimes. It is beautiful and fine. But mothers are finer. Oh yes, much finer. Than hundreds and hundreds of rhymes.
Neil Laurin.

SIXTH—SOUTH
The sixth grade of the South school took a trip to the Field Museum. They went on the elevated train from Niles Center. Directly after they reached there, they ate their lunch in the lunch room at the Field Museum. After they had eaten, their guide, Miss Whipple, was ready to show them around. First they viewed the lifelike scenes of primitive man. Then she took them to see the Egyptian mummies and household goods of long ago. There were also some X-ray pictures of mummies that were still wrapped up. After they had seen all this, she took them upstairs to see exhibits of the Roman Empire. It is said that the Romans and other peoples of long ago had as much brain as we have, but used them in their own way.

After they had seen everything, some of the children brought home some of our trip, such as pictures and books. Before they left for home they had a short visit at the Shedd Aquarium. They all enjoyed the trip very much.
Patricia Groves.

FIRST—NORTH
The first grade has been having a health unit. Last week they made a Health Booklet.

This is a group story written about health:
We want to be healthy boys and girls.
We do these things to keep healthy:
We eat a warm breakfast.
We sleep with our windows open.
We come to school with clean faces and hands.
We have a clean handkerchief.
We have baths each week.
We eat green vegetables.
We eat cooked vegetables.
We drink milk.
We read a story about Too Thin Johnny.

No one wants to be a Too Thin Johnny.

The Famous Spot of Companionship
You'll find El Rand the best place at which to meet your friends for enjoyable evenings. You'll like the cozy, friendly atmosphere too.

SECOND—NORTH
Beau
We have a pet dog. His name is Beau. He can do some tricks. He can sit up. He can play ball. He can shake hands. He is black with a white breast.
Nancy Nichols.

Ships
I like ships. There is a rudder on the bottom of the ship. It is like the fin of a fish. Airplanes have rudders, too. The bridge is the highest part of the ship. But it is not as high as the look-out.
Michael Farrell.

THIRD—NORTH
Holland and Its City Amsterdam
Holland is a small country about the size of Maryland, but it is bigger than Switzerland. More than half the people of Holland live in cities because of the small amount of land. Amsterdam and Rotterdam are noted for their seaports. Amsterdam has a walled city of 95 islands with about 350 bridges connecting them.
Carla Bloecker.

Dutch Schools
Dutch children go to school have six weeks summer vacation when we have three months.

The children who go to private schools have to pay twenty-five gulden (which is money). Most Dutch parents think it is best to go to a private school.

Dutch people call a grade a form, and a recess a break.

The Dutch children that go to private schools only have Wednesday and Saturday off.
Dawn Lama.

SPECIMEN BALLOT

SPECIAL ELECTION to vote on the proposition of increasing the authorized aggregate indebtedness of the Arlington Heights Park District, Cook County, Illinois, to not more than five per centum (5%) of the value of the taxable property therein at a special election held in said Park District on the 14th day of May, 1938.

Election Precinct Number One.

Polling Place: Arlington Heights Park District Field House, 500 E. Miner St., in the Village of Arlington Heights.

Election Precinct Number Two.

Polling Place: Residence of Wm. E. Greening, 1006 South Vail Avenue, in the Village of Arlington Heights.

(Instruction to Voters: Place a cross (x) in the space opposite the proposition indicating the way you desire to vote.)

FOR the increase of the authorized aggregate indebtedness of the Arlington Heights Park District, Cook County, Illinois, to not more than five per centum (5%) of the value of the taxable property therein.

AGAINST the increase of the authorized aggregate indebtedness of the Arlington Heights Park District, Cook County, Illinois, to not more than five per centum (5%) of the value of the taxable property therein.

Otto B. Balte
Secretary.

Birds
When the birds are flying. They usually fly high. They look very pretty. Against the light blue sky.
Some of them are yellow. And some are purplish-blue. Red and brown the Robin; And white the doves that coo.
Edna Laubinger.

FIFTH—NORTH
My Dog
My dog's name is Mickey. He is a collie and shepherd. His color is white with yellow, brown with orange, and his tail is shaggy. His coat is very long. We got him when he was six months old and now he is eight years old. We did not teach him any tricks except to shake hands. He is too old to learn any tricks now. He will not bite his owner or the family. He does not like strangers, so he goes for their hands and legs unless one of the family is near him or her. He will not let anyone in at night time. He is a playful dog. He will play with you if he knows you. He will run with you and jump with you. I think he is a wonderful dog.
Suzanne Prasinos.

SIXTH—NORTH
A Trip
One day mother told me we were going to take a trip to Niagara Falls. Of course I was happy. We packed our suitcases and other things. We also took maps and we found out how long it would take to get there.
Finally we got started. We slept in Detroit the first night and in Niagara Falls the last night. We went in our own car all the way.

When we got to Niagara Falls we found a room and then saw the falls with colored lights on them. The next day we went down in the falls and I was afraid I would fall on the steps because they were so slippery.

We stayed at Niagara Falls two days. On the way home we slept in North East and some other places.
Carol Peter.

World War Dead To Be Honored On Poppy Day, May 28
Preparations for the observance of Poppy Day, Saturday, May 28, are being completed by Palatine Unit of the American Legion Auxiliary, Mrs. Harry Smith, Unit President, announced this week. Arrangements are being directed by Mrs. C. Comfort, chairman of the Poppy Day committee, assisted by a corps of workers from the Unit. Plans are being developed to distribute memorial poppies in every part of the town.

"Honor the World War dead and aid the war's living victims, is the meaning of the memorial poppy," said the unit president. "The poppy, which bloomed so strikingly among the trenches and battle graves in France and Belgium, became the flower of the dead during the war. Ever since the war it has been worn in all English-speaking countries annually as an individual tribute to the men who gave their lives in the conflict."

"The little red flower takes added significance from the fact that it is made by the war disabled, and that it contributes to the welfare of the disabled men and the dependent families of veterans. Everyone who wears a poppy on Poppy Day, not only is showing remembrance and honor for the men who died in the war, but is giving help to those who still are bearing the burdens of the war in suffering, privation and lost opportunities. All contributions made for the flower will go to support the rehabilitation and welfare work of the Legion and Auxiliary which means so much to the disabled veterans and the families of the dead and disabled."

"The women of the local unit are making great efforts for a successful Poppy Day this year and are hoping that everyone in the community will catch the spirit of the day, and will join with them in honoring the dead and aiding the disabled."

OWNERS EVERYWHERE PROVE AUTOMATIC GAS WATER HEATING GIVES COMFORT—ECONOMY

Arlington Heights Users Say Necessary—Most Useful!

VERY ECONOMICAL

Says J. Edwin Nelson of 402 N. Douglas, Arlington Heights

"I installed in my home in June, 1937, an automatic gas water heater. The operation of this heater is very economical. The convenience of a continuous supply of hot water is appreciated especially by Mrs. Nelson, as there is always a sufficient quantity for all purposes for my family of five. It is not necessary to wait for hot water, as it is always available."

Mr. Nelson's attractive home and view of their automatic gas water heater

Carefree, Year 'Round Automatic Gas Water Heating Costs So Little!

Thousands of users are proving it! With an Automatic Gas Water Heater there's always hot water on tap, for laundry, dishes, shower and bath—there's comfort and convenience in the home that wins praise from the whole family. There's nothing to do but turn on the tap. And it costs so little for what you get—Automatic Gas Water Heating now costs less to operate than ever before!

Find out about our special 3 months' trial offer! Learn how easy it is to join the swing to carefree, year-round Automatic Gas Water Heating! Trade in your old-fashioned water heater for a new Automatic Gas Water Heater now.
